Dear Students and Parents:

Welcome to Newton County Theme School! It is with great anticipation and excitement that we begin this new school year. We have an outstanding school and have earned many accolades. However, we don't want to stop where we are. We have aspirations of becoming a world-class school and intend to continue working toward achieving our goal. Here at NCTS, we strive for educational excellence, and we feel that educational excellence can only be achieved by having high expectations for our students and for ourselves as educators. We believe in educating the "whole child." We do this by embracing S.T.E.A.M. (Science, Technology, Engineering, Arts, and Math), with a focus on fine arts, as well. Of course, parental involvement is key to our success. We truly believe that with all of us—students, teachers and staff, parents, and the community—working together, there is nothing we can't accomplish! In 2017-2018, let's all get on board to move "**Full S.T.E.A.M. Ahead**"!!!

The first pages of this handbook contain information that should provide you with a better understanding of our school and its procedures, followed by policies and procedures applicable to all Newton County schools. It is important that you read both, for these are the policies that will guide our decisions here at NCTS.

Please take care of this handbook. You will use it for organizing homework assignments as well as for communicating between home and school. If there are questions or concerns, please feel free to call us.

Sincerely,  
NCTS Administrative Team

## **MISSION OF NEWTON COUNTY THEME SCHOOL**

The mission of the Newton County Theme School is to provide educational excellence for all students by creating a collaborative environment that empowers students, parents, staff, and community members to ignite a lifetime desire and love of learning through project-based learning, rigorous curriculum and family involvement.

## **VISION OF NEWTON COUNTY THEME SCHOOL**

The vision of Newton County Theme School is to become a world-class school where students engage in rigorous and well-rounded curriculum in a safe and motivating environment that prepares them for future learning and life beyond school.

## **NEWTON COUNTY THEME SCHOOL**

The Newton County Theme School (NCTS) provides school choice within the Newton County School

System. In order to be a part of the theme school, children and parents must make a commitment to adhere to the NCTS contract. Highlights of the contract include a uniform code of dress, required volunteer hours, high academic expectations, and an emphasis on increased behavioral expectations. Parents are a vital part of NCTS as they work to reinforce these expectations and support the instructional program. Parents are required to contribute 20 hours per year of school volunteer service. These hours do not necessarily need to be completed during school hours; therefore, no student is excluded because of parent work schedules. In addition to the volunteer hours, parents are expected to partner with the school, ultimately strengthening the educational environment. This home-school partnership includes attending Parent Teacher Organization (PTO) meetings and parent-teacher conferences. At NCTS, it is an expectation that parents ensure homework and projects are completed on time and that children read every day. Additionally, during the summer months, children are expected to continue to read daily and to review mathematical concepts and facts so that gains made during the academic year are not lost.

# ARRIVAL and DISMISSAL PROCEDURES

## ARRIVAL AT SCHOOL

Children should arrive at school and **be in class** by **7:40 A.M.** so they do not miss important instruction. Students may enter the front doors of the building at 7:00 A.M. and will report to the cafeteria until 7:05, at which point all students will be allowed to go to their classrooms. **All other doors will remain locked until 7:05 A.M.** Thank you for your cooperation with this important safety issue.

If you will be driving your child to school by car, please use either the front drive or the back drive and come through the parking lot below the school. Everyone must enter by Mill St. for both drop-off locations. For safety reasons, please do not come through any part of the Board parking lot to try and enter one of the two morning drop off car lines. A staff member and/or parent volunteer will do their best to assist your children in unloading and getting into the building. If you have older children, please encourage them to unload themselves and any younger siblings from the vehicle to help keep the traffic flow moving, especially when there are limited number of parent volunteers.

The preferred method for getting students to school is to use the car-rider lane. If you need to park occasionally in the Board of Education (BOE) parking lot, please adhere to the following :

1. Accompany all students, regardless of age, to the sidewalk that leads to NCTS. **DO NOT** let students cross the parking lot unattended.
2. The BOE parking lot cannot be used as a "car loop" for dropping off students. Do not park

along the red fire lane curb areas. You must park in a designated BOE parking space at all times.

3. Please park and drive responsibly in the BOE parking lot. Follow established traffic patterns and do not drive through empty parking spaces.
4. Do not park at the barricade facing Newton County Theme School. When parents attempt to reverse, congestion occurs and unsafe conditions for young children are created.
5. The BOE parking lot primarily serves as parking for BOE employees and visitors to the BOE. Therefore, please arrive earlier than 7 :30 A.M. and vacate the lot by 7:40 A.M.

If you park down in the lower parking lot, please do not park in the designated faculty area and please walk your child to the designated crosswalk and wait with your child until given permission to cross by a staff member. If you decide to park your car instead of using one of the two morning drop off lines in the morning, you must park in the designated lower parking lot area, the BOE parking lot, or in legal parking spaces on Newton Drive. Thank you for helping us to ensure the safest environment possible for our students as they enter the building each morning.

***NOTE : After the first full week of school (2 weeks for kindergarteners), we ask that parents allow their children to walk to class on their own. If a parent must walk to their child's room for some reason, the parent must enter through the front doors, sign in at the front office, and put on a visitor's sticker. We ask that parents do not try to conference with teachers at this time. Teachers***

***are getting ready for their day, and other children should not hear adults talking about specific students. If a parent needs to bring an item to the school for his/her child, please take the item to the front office, and a staff member will make sure the child gets the item.***

## **DISMISSAL AFTER SCHOOL**

Car Riders – Kindergarten, first grade, and second grade car-riders, along with their siblings, are dismissed from the front of the building. Third, fourth, fifth, sixth, seventh and eighth grade students are dismissed from the back of the building at the back entrance of the gym. For the safety of your children, please have your car rider number tag hanging from your car mirror that matches your child's number on his/her bookbag tag. These numbers may be picked up during Open House. It is very important that all parents pick up their children through one of the designated pick-up lines to ensure every student gets home safely. The car rider pick-up line runs from **2:10–2:40**.

If you are unable to pick up your child by **2:40**, you may need to find other means of child care, such as our after-school program or daycare. *Our office staff cannot be responsible for your children after 2:40.*

Daycare – Students who are going to daycare facilities from school must have a written note to the teacher stating which daycare bus/van they will be riding.

Buses – Students who ride one of our buses must have written permission stating the bus number and the drop-off point. Students will receive a bus tag

number to put on their bookbags, and the parents will be given a tag for the car. Bus information and bus tags may be obtained during Open House. We have four (4) bus pick-up/drop-off locations: Oxford Baptist Church on Hwy. 81 in Oxford, the “Old” Walmart on Hwy 278, the bus parking lot next to Live Oak Elementary, and Denny Dobbs Park across from Oak Hill Elementary.

After-School Academic Program – Students who go to the after-school program at our school must have registered for this program through our after-school director.

Walkers – If you wish for your child to be a “walker,” you need to send a note, signed by you, the legal guardian, to the front office, giving permission for your child to be a “walker.” You will need to pick your child up between 2:10 and 2:30 from the designated classroom and walk with your child off the campus premises. Please make sure you have your car tag so that we can match it with your child’s tag.

## **CHANGES IN TRANSPORTATION**

Students feel safe and confident when they go home the same way every day. If it becomes necessary to change the way your child goes home, you must send a written note to the teacher or email to Ms. Tina Hanson ([hanson.tina@newton.k12.ga.us](mailto:hanson.tina@newton.k12.ga.us)) before 1:30 p.m. If you send an email, please call to ensure the email was received. No transportation changes will be made after 1:30 p.m. Thank you for your attention to this for safety purposes.

# ATTENDANCE

## ABSENCES

It is important that students be at school all day, every day. If a student is absent, a written excuse should be sent to his/her teacher within three days of returning to school. A parent is allowed to write excuses for five absences. A doctor's excuse is required for absences beyond the five parent notes. Students will be responsible for any assignments missed due to absences. To remain at the theme school, a child may have no more than five **unexcused** absences.

## TARDIES

If students are not in class by **7:40 a.m.**, they are considered tardy and must check in at the front office. Tardies are unexcused unless a doctor's note is received. (If there are extenuating circumstances, the parent must contact the principal who will make a decision as to whether the tardy is excused or not.)  
**Our Parental Commitment Contract explains in detail the NCTS attendance requirements.**

## EARLY CHECKOUTS

The Newton County Theme School puts student safety first. Any person checking out a student must present a photo identification card (such as a driver's license) and be listed on the Student Release Transportation Card. Remember that checkouts must be made by 1:30 p.m. This procedure is in place to ensure all students get home safely and that the

dismissal process maintains a safe environment. Please do not check your child out early unless it is absolutely necessary. It is academically disturbing for your child and other children in that classroom. ***Any time you check your child out before 2 :10 p.m., it is considered an early checkout.*** Checkouts are considered unexcused unless excused by the nurse or a doctor's note is received. When your child is to be checked out early, please follow these guidelines:

- Send a note in advance if you know you will be checking out your child early.
- **Please come to the front office, not the classroom, to check out a child.**
- **Remain in the front lobby or office area for your child to come to you. Do not go to the classroom to retrieve your child. Doing so can cause an unsafe and disruptive learning environment.**
- Sign the student out with the secretary at the front desk.
- Be prepared to show a picture identification.
- There should be no checkouts after 1:30 p.m.
- Checking out any time before 2 :10 p.m. constitutes an early checkout.

**OUR RESULTS** *will show continuous improvement related to student achievement and more effective teaching as exhibited by Georgia Milestone Assessment System's End-of-Grade (EOG) and End-of Course (EOC) assessments no later than spring 2015-16 forward. The assessment results for EOGs and EOCs taken in the spring of 2014-2015 will be utilized as baseline data. Additionally, we will program for greater student exposure to and success in college readiness (ACT, SAT, AP) and workplace readiness (ACT WorkKeys a.k.a. Georgia Work Ready Assessments).*

## **GRIEVANCES AND DISCRIMINATION**

### **BOARD POLICY**

#### **Equal Educational Opportunity**

**Descriptive Code: JAA**

**Date: November 15, 2011**

The School District does not discriminate on the basis of race, color or national origin, sex or disability in any student program. It is the policy of the Board of Education to comply fully with the requirements of Title VI, Title IX, Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act and all accompanying regulations.

Any student, parent or other person who believes he or she or any student has been discriminated against or harassed in violation of this policy must make a complaint in accordance with the procedures outlined below.

### **COMPLAINTS PROCEDURE**

Complaints made to the School District regarding alleged discrimination or harassment on the basis of race, color or national origin in violation of Title VI, on the basis of sex in violation of Title IX or on the basis of disability in violation of Section 504 of the Rehabilitation Act of 1973 or the Americans With Disabilities Act will be processed in accordance with the following procedure:

1. Any student, employee, parent or other person with a complaint or report alleging a violation as described above shall promptly notify, in writing, either the principal for his/her school or the appropriate coordinator designated from time to time by the Board of Education [or by the principal]. If the complaint is made to a school principal, he or she shall be responsible for notifying the appropriate coordinator of the complaint.
2. If the alleged offending individual is the coordinator or the principal, the complaint shall either be made by the complainant to the Superintendent or, if the complaint is initially made to the school principal, reported by the principal to the Superintendent. If the alleged offending individual is the Superintendent, the complaint shall be made to the designated coordinator, who shall, without further investigation, report the complaint to the Board chairperson.
3. The coordinator or his or her designee shall have fifteen work days to gather all information relevant to the complaint made, review the information, determine the facts relating to the complaint, review the action requested by the complainant, and attempt to resolve the complaint with the complainant and any other persons involved. The coordinator or designee shall prepare a written response to the complaint detailing any action to be taken in response to the complaint and the time frame in which such action will be taken and copies of this response shall be furnished to the complainant, the appropriate coordinator and the principal or his or her designee.
4. If the complaint is not resolved at the conclusion of this fifteen-day period or if the complainant is not satisfied with the resolution of the complaint, the complainant shall have the right, within five work days of receiving a copy of the written response, to have the complaint referred to the Superintendent of Schools. If the alleged offending individual is the Superintendent, the complainant may have the complaint referred to the Board of Education, rather than the Superintendent.

5. The Superintendent shall have fifteen work days to review the complaint and the response of the coordinator or designee and attempt to resolve the complaint. The Superintendent shall furnish to the complainant a written response setting forth either his or her approval of the action recommended by the coordinator or designee or the action to be taken by the School District in response to the complaint in lieu of that recommended by the coordinator or designee and the time frame in which such action shall be taken.
6. This policy is not intended to deprive any student or parent of any right they may have to file a complaint under any other applicable policy of the local board or to contact the Office of Civil Rights or other appropriate state or federal agency with regard to any allegations that the School District has violated the statutes described above.
7. The School District shall be responsible for distributing and disseminating information relevant to this policy and procedure to students, parents and employees through appropriate procedures.
8. No reprisal shall occur as a result of reporting unlawful discrimination or harassment under this policy, and any attempt to retaliate against a complainant shall be disciplined as is appropriate.
9. The confidentiality of any individual making a complaint or report in accordance with this policy, to the extent it is reasonably possible and complies with the law, shall be protected, although the discovery of the truth and the elimination of unlawful harassment shall be the overriding consideration.

The following individuals have been designated as the employees responsible for coordinating the district's effort to implement this nondiscriminatory policy.

Title I, McKinney-Vento, School Improvement, Parent Involvement -Director of Federal Programs

Title II – Director of Secondary C & I and Professional Learning

### **Section 504 of the Rehabilitation Act of 1973**

**Section 504** provides that no qualified individual with a disability should, only by reason of his or her disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.

## **ADMISSIONS and ENTRANCE AGE**

Children who have reached their fourth birthday on or before September 1 of the current academic year are eligible for pre-kindergarten. Only 570 students may be served in the lottery funded, pre-kindergarten program. Children who have reached their fifth birthday on or before September 1 of the current academic year are eligible for kindergarten. If a child has reached his/her sixth birthday on or before September 1 of the academic year, he/she is eligible for the first grade.

All students are eligible for school registration per policy guidelines of the Newton County Schools. For pre-kindergarten students a special registration is held at a designated school site in the spring. Parents may register their students in grades K-5 at the designated elementary school within the attendance zone where they live. At enrollment the parent/guardian should bring the following for each enrolling student:

1. **Proof of Prior School Enrollment, if a transfer student.** A withdrawal form and unofficial transcript or report card will provide proof of prior school enrollment.
2. **Residency Verification.** The parent/guardian must provide **both** a non-contingent sales contract or lease or deed (may use a current tax receipt) **and** at least one utility bill (i.e. water, electricity or gas bill) or receipt of service deposit in the parent/guardian's name with the same address validating residency in Newton County at the time of registration (**No Post Office Box**). **A student will be withdrawn from the Newton County Schools if it is discovered that he/she was admitted with fraudulent residency information.** **NOTE: Verification of residence within Newton County may be requested at any time at the discretion of the administration regardless of the date of enrollment within the school system.**

**When a student's family is residing in the home or apartment of another individual, the following are necessary for enrollment:**

- a. A notarized affidavit signed by the individual with whom the student's parent/guardian is residing verifying that enrolling parent/guardian is residing in that home or apartment. When the residence is an apartment of someone else, the affidavit must also be witnessed by apartment manager, and
  - b. Proof of residency documents for that individual with whom parent/guardian is residing (See No. 2 above).
3. **Custody/Guardianship.** The person enrolling a student shall present proper identification which may include a driver's license, a state identification card, or passport. Proof of custody/ guardianship must be provided if the child does not live with one or both parents. **This document must be provided at the time of registration.**
  4. **Immunization Form.** All students, including foreign exchange students, must submit a Georgia Certificate of Immunization, on form 3231. Students who do not comply will be withdrawn from school. Students enrolling in the sixth grade for the upcoming school year must provide the 3231 or 3189 form stating that the chicken pox vaccine has been administered or proof of the disease.
  5. **Eye, Ear, and Dental Form.** All students entering a Georgia Public School for the first time or re-entering after having been absent from a Georgia school for at least one school year must have on file the Georgia DHR Form 3300

Certificate of Eye, Ear, and Dental Examination. Pre-kindergarten students must have a certificate of eye, ear and dental examination (DHR Form 3300) on file within 30 calendar days of the date of enrollment.

6. **Birth Certificate.** The copy must be the state issued birth certificate that includes the certificate number. The name on the child's birth certificate will be the name used on all school records unless a certified copy of a court ordered name change is provided.
7. **Social Security Number.** Original to be copied by school secretary. The name on the social security card must match the name on the birth certificate.

**It is the responsibility of the parent/guardian to update any of the above information as changes occur.**

School secretaries and leadership personnel will assist parents with any questions they may have regarding the registration of their children.

### **ATTENDANCE and TARDINESS**

Georgia compulsory school attendance law requires all students of school age (through the age of 15) to attend school on the opening date and be in regular attendance thereafter. According to Newton County School Board Policy, students are to attend school in the zone of their residence.

Success in school and promotion to the next grade greatly depends on the student's attendance on a daily basis. School personnel will work with parents whose children are sick or miss school for other legal reasons. Please make every effort to send the child to school each day.

In support of good school attendance, a protocol has been developed by representatives of the following agencies/offices: Department of Family and Children Services; Juvenile Court; District Attorney's Office; Sheriff's Office; the Chiefs of Police of Covington, Oxford and Porterdale; Health Department; Mental Health; the Community Partnership; and the Board of Education. The protocol states the commitment of the groups to identify, report, investigate and prosecute cases of alleged violation of the state law related to school attendance.

Changes in Georgia law require that parents or guardians must sign a statement indicating receipt of written attendance requirements and possible consequences/penalties. The Parent Acknowledgement of Understanding and Receipt following the Discipline section of this handbook indicates such receipt of attendance requirements. Students in grade four and above must sign a statement indicating receipt of the requirements and possible consequences and penalties. If the Notice is not returned to school, the school will have met its responsibility to notify the parent/guardian of the requirements and possible consequences/penalties, if after two reasonable attempts to secure signatures, the parents or guardians are sent, via certified mail, return receipt requested, a copy of the statement.

The child who is tardy for school loses valuable instructional time and causes undesirable disruption in the classroom. Also when a child is frequently checked out of school early he/she loses valuable instructional time. If a child is tardy, he/she, along with the adult who brought the child to school, must report to the school office to receive his/her tardy pass. **Unexcused tardies or early checkouts are strongly discouraged. Simply checking a student out of school does not constitute an excused absence for the classes missed. In order for an absence or tardy/checkout to be excused, a parent/guardian must provide appropriate documentation for the classes missed within three (3) days of the absence.**

Students are legally excused from attendance according to Georgia law for (1) illness, (2) death in the family, (3) religious holidays, (4) services as a Page in the General Assembly, (5) when attendance might be hazardous to their safety, and (6) when mitigating circumstances warrant, as determined by the principal. Credit for make-up work will be granted only when the absence is excused as defined above.

Early Release Days are when school is dismissed early, on system designated “early release” days. **In order to be counted present, students cannot be checked out of school early on Early Release Days.** On these days, students eat breakfast and lunch at school and are dismissed at the following times:

Elementary Schools-11:15

Middle Schools- 1:15

High Schools- 12:15

**Perfect yearly attendance recognition is based on having no absences and a combination of not more than four unexcused tardies and/or early checkouts.**

### **ACADEMIC CONSEQUENCES OF ABSENCES**

When a student is absent, a written statement from the parent/guardian is required to be presented within three days upon re-entry to document the reason(s) for absence; otherwise the absence will be recorded as unexcused.

Students who have an excused absence must initiate make up work with teachers on the first day they return. The teacher will determine deadlines for the completion of assignments.

It is the responsibility of the student to keep up with all assignments whether absences are excused or unexcused. The school will not deny the student the right to the information missed for an unexcused absence. However, a student may receive a “zero” on any graded class assignment for any unexcused absence and will not be permitted to make up tests.

A student under suspension will be allowed to make up work and receive full credit. Some work, by its very nature, is impossible to make up and may necessitate alternative assignments. The principal (or designee) is the final authority in determining alternative assignments. Students will lose credit for any work not made up within the number of school days suspended. For example, if a student is suspended for 3 days, the student will have 3 days upon returning to school to complete make up work.

**Parents/ guardians may submit written excuses for up to five (5) days of absences per year. After five (5) cumulative parent excused absences a student must present documentation from a medical provider of personal illness in order for any further absences to be excused due to illness. School administrators have discretion to evaluate extenuating circumstances regarding this procedure. Absences resulting from any other reason specified as “excused” will be accepted with appropriate documentation i.e., a copy of a subpoena for a court appearance etc. (See Section A) Failure to provide this documentation within 3 days after returning to school will result in absences recorded as “unexcused.”**

### **CONSEQUENCES FOR PARENTS/GUARDIANS WITH CHILDREN WITH EXCESSIVE ABSENCES**

In order to comply with the law, parents and guardians of students with more than five (5) unexcused absences may be referred to the appropriate court and will be subject to fines of not less than \$25.00 nor more than \$100.00 or imprisonment up to 30 days or community service or any combination of penalties. (Code Section 20-2-690.1) After

notification that a child has five (5) unexcused days of absence, each absence shall constitute a separate offense.

In an effort to keep parents informed of student's absences, the teacher will refer the name of each student who has three unexcused absences to the principal and/or designee. The principal and/or designee will contact the parent/guardian.

For a student with five unexcused days of absence, the school system will make two reasonable attempts to notify parents/guardians of the unexcused absences. Notification may include one or more of the following: a letter to the parent/guardian, phone call to parent/guardian or a phone call to the residence via School Messenger. If there is no response from the parent/guardian, they will be notified via certified mail, return receipt requested of the unexcused days. It is also possible for parents to check attendance via the internet on Infinite Campus Portal.

### **SCHOOL BUS RULES**

1. Students will show respect to and follow the directions of any school bus driver or other Newton County School System employee.
2. Students will be at their assigned school bus stop **AT LEAST FIVE (5) MINUTES** prior to the scheduled pick-up time. Students should stand in a safe place, in an orderly manner, 12 feet away from the roadway (where possible).
3. Students will wait for instructions (hand signals or otherwise) from the school bus driver, on every occasion, when crossing the street to board or when exiting the school bus. Students must maintain eye contact with and cross in full view of the school bus driver. Students should **NEVER** cross behind the school bus.
4. Students will signal the school bus driver with a waving motion if something is dropped and wait for the school bus driver to give the okay signal before picking up the object.
5. Students will board and exit the school bus safely by using the handrail and staying alert. Students will go directly to their assigned seats and sit properly (back to back – bottom to bottom), and keep their hands to themselves. Students must not extend heads, arms or objects out of the school bus windows.

Examples: weapons, animals, glass items, nuisance items, hazardous materials, perfume/cologne, objects that cannot easily fit in book bags, projects that cannot fit on the student's lap or any other item of a questionable nature that might present a safety hazard.
9. Students will refrain from using loud voices, profanity, and obscene gestures, and respect the rights and safety of others. Students are prohibited from using mirrors, lasers, flash cameras, or any other lights or reflective devices in a manner that might interfere with the driver's operation of the school bus.
10. Students will be silent at all railroad crossings.

**CHAIN OF COMMAND**

Constructive criticism of the schools is welcomed by the Board of Education whenever it is motivated by a sincere desire to improve the quality of the educational program or to equip the schools to complete their tasks more effectively.

The Newton County School System does not recognize social media (e.g., Facebook, Twitter, blogs, etc.) as primary means of communication in relation to student, parent, personnel or school system issues. If you have a concern that you wish to be addressed, please contact school and/or system personnel directly via email, phone, letter, or in person in efforts to resolve matters. Additionally, please follow the prescribed Chain of Command to address concerns.

Members of the Newton County Board of Education have confidence in the professional staff and desire to support their actions in order that they are free from unnecessary, spiteful, or negative criticism and complaint. These statements do not supersede any employee's or citizen's rights to contact Board members directly. However, whenever a complaint is made directly to the Board as a whole or to a Board member as an individual, it will be referred to the administration for study and possible resolution.

The Board advises the public that the proper channeling of and most effective way to resolve complaints involving discipline, curriculum/instruction or transportation is to contact the individual at your student's school who is designated by position in the chart below to deal with such concerns. Any issue outside of this chart's listing should be addressed to the principal. The Board will consider hearing citizen complaints when they cannot be resolved through the use of the channels below.

**COUNSELING SERVICES**

The school has the services of a counselor. The counselor's time is focused on providing students the following services: classroom guidance; small group counseling/guidance; individual counseling; and coordinating/consulting with parents and staff. Each student in grades kindergarten through five will receive instruction in the following areas: achievement/motivation; interpersonal relationships; self-esteem and expression of ideas;

rights and responsibilities; and career awareness and exploration. Interested or concerned parents should contact the school principal or assistant principal for information regarding these services.

### **CUSTODIAL PARENT/GUARDIANSHIP**

The Newton County Schools will abide by state and federal laws regarding custody issues involving students enrolled in our schools. Change of custody (visitation swap) shall not occur on school campus. **The parent who enrolls a child is the parent who is entitled to the custody of the child at all times and has the authority to make decisions regarding his/her child.** If a natural parent contests the right of the other natural parent to make decisions affecting their child, whoever has custody/enrolled the child is empowered to make decisions for the student.

Under the Family Educational Rights and Privacy Act (FERPA) both parents have a right of access to their child's educational records. Both parents are allowed to discuss at reasonable times and intervals with teachers and administrators their child's progress in school and any problems requiring parental intervention. The non-custodial parent may visit their child at school unless specifically prohibited by the custody order. School visits are limited to specialized school sanctioned events or upon written approval of the custodial parent. Mail, telephone calls or gifts of a personal nature will not be accepted. If sent, they will be returned.

A step-parent does not by law have any authority to make educational decisions or obtain information from his/her step-child's educational records, unless, the natural parent has given written authorization under FERPA. The natural parent also may grant specific permission for the step-parent to be present at school events or conferences with teachers and administrators and to pick up the child at school. However, only the natural parent is empowered to sign documents that require parental signature.

If a parent has custody of his/her child and there are circumstances specifically stated in the court order that affect the child at school, the parent is required to provide a certified copy of the order and complete the Custodial Parent Request Form providing specific instructions and permissions given to the non-custodial parent. **It is the custodial parent's responsibility to keep the school informed of any changes in the custody order or changes in the Custodial Parent Request Form.**

### **CURRICULUM**

Students in the Newton County Schools receive well-rounded, developmentally appropriate curriculum services. Students are expected to complete studies in the areas of language arts (reading, spelling, writing, grammar, vocabulary, listening, and speaking), mathematics, science/health, social studies, music, art, physical education, and handwriting. Curriculum objectives are based upon state and local requirements thus ensuring that all students receive comprehensive instruction in all areas of study. Further information regarding elementary curriculum practices may be obtained from the school principal or assistant principal.

### **DISCIPLINE and STUDENT SELF-CONTROL**

No student should purposely interfere with a fellow student's right to learn. Therefore, each student is expected to behave in a manner that does not inhibit the educational opportunities and the safety of others. Likewise, students are to be treated with the rights and respect due any individual. The Newton County Board of Education has adopted policy JP/GAF which provides guidelines as to appropriate interactions between staff and students.

## **DISRUPTIONS IN THE SCHOOL DAY**

Before the student leaves for school each day, please be sure he/she has all instructions and necessary materials. This will avoid undue disruption of instruction. If an emergency arises and it is necessary for a parent to notify their child, please leave a message with the school secretary. The office staff will relay the message to the child's teacher at the appropriate time. Please do not check the child out of school before the end of the instructional day.

If emergencies arise that require a child to be checked out during the instructional day, a student will be released from school only to a parent or legal guardian or other authorized person. Such persons should be properly identified. The parent or authorized person who will pick up the student must come inside the school, provide a picture ID, and sign the check-out record. Once the check-out procedures are finalized, students are expected to leave the premises immediately. **All phone calls and written requests should be received at least one hour before requested check-out time.** For safety reasons, transportation changes must be received in writing. The note should be signed and dated with a phone number so the note may be verified. If this process is not followed, some delay can be expected. In order to avoid confusion at dismissal, students will not be checked out after 1:30 P.M. See pages 31-32 for transportation change procedures.

### **EARLY INTERVENTION PROGRAM (EIP)**

The Early Intervention Program (EIP) is a state funded program designed to provide additional instructional resources to students in grades kindergarten through five in the areas of reading and mathematics. Students are selected for program services based on criteria that include an eligibility checklist and standardized test scores. An EIP teacher works with the identified students to provide challenging instructional activities that are intensely focused on each student's academic deficiencies. These teachers carefully plan with the student's regular classroom teacher to provide the necessary instruction that will enable the students to meet grade-level standards.

Parents of EIP students are encouraged to become involved in various parent activities held throughout the year. Questions regarding the Early Intervention Program services may be directed to the school principal, assistant principal or the Director of Elementary Education at (770)-787-1330.

### **ELECTRONIC DEVICES DURING STANDARDIZED TESTING**

In accordance with the Georgia Department of Education's guidelines regarding cell phone/electronic devices in designated testing locations, students of the Newton County School System are not permitted to use, or bring into the testing environment, any electronic device that could allow them to access, retain, or transmit information. Improper use of such electronic devices during testing will result in disciplinary action in accordance with the Newton County School System's student code of conduct and test invalidation. During the administration of standardized assessments, all cell phones/electronic devices must be in the "off" position and stored by the teacher, if brought into a designated testing location. Cell phones/electronic devices will be returned to the student after all testing materials have been collected. During state mandated assessment windows, students will be expected to follow the guidelines as indicated, should they bring their cell phones into the designated testing locations within the school. It is the preference of the Newton County School System that students leave their cell phones/electronic devices at home on the days standardized tests are administered. The Newton County School System is not liable or responsible for any personally-owned electronic device brought onto any school system property.

### **School Cancellation or Emergency School Closing (EARLY DISMISSAL)**

#### **Due to severe Weather:**

Newton County School System (NCSS) adheres to the following procedures regarding school closure or early dismissal due to inclement weather. If severe weather occurs or is predicted in advance, the school superintendent will try to make a decision by 10 p.m. the night before a school closure. Weather changes quickly and as a result, it is not always possible to make an accurate decision by 10 p.m. If a definite decision to close schools cannot be made by 10 p.m., Newton County School System personnel will monitor weather and road conditions overnight and into early morning hours. If a school closing is necessary, the Superintendent would make that decision no later than 5 a.m. on the morning of the school closure. Please do not call the schools or central office to inquire about possible school closings as that occupies phone lines and delays a district announcement. School closing announcements would be posted on the Newton County School System website, the district's Facebook and Twitter pages, and on metro-Atlanta television stations. In addition, a School Messenger Call would go out to NCSS families

and employees. **It is very important that parents keep phone information up-to-date as School Messenger utilizes parent contact information on file in Infinite Campus.**

Should weather become severe during the school day resulting in the need to dismiss students early, the Newton County School System would initiate an Emergency School Messenger Call to parents. As with a school cancellation, the early dismissal announcement would be posted on the NCSS website, Facebook, and Twitter pages, and metro-Atlanta television stations will also be notified.

### **ENGLISH FOR STUDENTS OF OTHER LANGUAGES**

English for Students of Other Languages (ESOL) program provides a curriculum and instructional assistance to students not proficient in English because their native tongue is other than English. The elementary program provides skill instruction in listening, speaking, reading, writing, and American cultural concepts which students need to participate in regular classroom instruction.

### **FIELD TRIP EXPERIENCES**

The school faculty and staff support and encourage field trips that are educationally sound. If a child is scheduled for a field trip, the parent or legal guardian will be required to sign a slip granting permission for participation. These permission slips are maintained on file at the school. Teachers planning field trips may request a monetary donation. Field trip experiences will not be denied a student whose parents do not make a donation. **Note that our policy does not allow children to ride the bus who are not enrolled in our school or in the participating class's field trip. Children not enrolled in the participating class are not allowed to attend field trips. Only chaperones registered with the school are allowed to attend the field trip as space permits. Approved chaperones may be required to provide their own transportation.**

### **FIRE and TORNADO DRILLS**

Fire, safety, and tornado drills are held during the year according to the school's safety plan. Teachers will instruct their students on the procedures to be followed during fire and tornado drills. Students are carefully evacuated from the building during a fire drill. Students are escorted to a designated place in the corridor during a tornado drill.

All Newton County Schools have Emergency Preparedness Plans which deal with various types of emergencies. These plans are followed in the event of other emergencies.

conferences during the school year on specially scheduled school conference days to discuss a child's progress with his/her parents. Other conferences may also be requested. Please make every effort to attend conferences requested by school personnel. Each child's academic and social growth depends upon strong support and encouragement from parents!

### **HEALTH SERVICES**

Although not full time, school nurses are provided for each school. The school nurse may make contact with parents regarding any health issues. She/he will not take responsibility for evaluating signs of illness or injury that have occurred at home. These should be referred to the family doctor or an emergency room.

### **CLINIC SERVICES for ILLNESS and ACCIDENTS**

Should a situation warrant it, parents will be contacted immediately when their child becomes ill or has an accident at school. In serious situations when a parent cannot be contacted, the principal or principal's designee will request the assistance of local emergency medical personnel. Services will be provided if a medical release has been signed. Judgment in such cases is at the discretion of school authorities, and parents assume financial responsibility.

**If a student is sent home from school due to illness he/she cannot return to school unless they have been symptom free without medication for 24 hours.**

At the beginning of the year please return the emergency authorization form to the teacher. Please keep all telephone numbers current, the name of a contact person for emergencies and their current number on file in the office.

## **CLINIC SERVICES and PRESCRIPTION MEDICATIONS**

Children who become ill at school will be cared for in the designated clinic area. If necessary, simple first aid procedures will be administered. Emergencies will be handled appropriately and parents will be promptly notified.

For **Prescription Medicine**, the parent/legal guardian must complete an authorization and instruction form entitled "Authorization to Give Medication at School." A physician must also sign this form for all prescription medicine. A new form must be completed and signed by parent/legal guardian, and/or physician, any time there is a change in medication or dosage.

Medicine shall be provided to the school in the original labeled container containing the student's name, doctor's name, and contents. Free samples provided to parent/ guardians by physicians must be in sealed packages and accompanied by written directions from physicians and authorization from the parent/guardian for administration.

Controlled drugs should be delivered by a parent, and counted upon arrival and accounted for weekly.

Students may carry and self-administer as needed prescription Inhaler, EpiPen, and/or Insulin after the Authorization to carry the prescription is completed by the **parent/guardian, student, and physician**. The medication to be self-administered must have the pharmacy label in the student's name attached. Students meeting the above criteria may self-medicate without prior clinic approval. The school accepts no liability for self-administered medication.

## **OVER-THE-COUNTER OR NON-PRESCRIPTION MEDICATIONS**

For **Non-Prescription medicine**, parents/guardians must provide routinely administered non-prescription drugs in the original container along with the appropriate signed authorization form giving school staff complete instructions as to how it is to be administered. No over-the-counter medicines will be provided by the school except for emergency situations as deemed appropriate by the school nurse or principal's designee. These shall be administered according to parent/guardian instructions.

**As long as prescribed and/or over-the-counter medicine is administered in accordance with the schedule/directions as described by the parent/guardian and/or physician, the Newton County Board of Education is released from any liability in the event of injury or adverse effects to the child as a result of the administering of such medication.**

## **COMMUNICABLE DISEASES**

School nurses can screen for some of the contagious or infectious diseases listed below and may call parents to pick their children up from school if one of the diseases is suspected. Children having any contagious or infectious disease should not return to school unless they have been symptom free without medication for 24 hours cleared by the family physician or Health Department. The following conditions should be considered communicable; although all are not of a serious nature. Parents should notify the school if their child has been affected by any of these for advice on readmission to school. Parents of students in classrooms affected by a student with a serious communicable disease, as determined by the school nurse or administrators, will be notified of concerns.

Lice (pediculosis)	Meningitis	Chicken Pox (Varicella)
Polio	Scarlet Fever	Pink-Eye (Conjunctivitis)

### **HEAD LICE**

Students who have head lice (pediculosis) are to be sent home from school. After treatment and before re-entering school, the student accompanied by a parent/guardian, will be cleared by a school official to make certain that the student is free of all infestation and any remnants, including dead nits.

If the student's head is still suspect, he/she will not be allowed to re-enter school. However, if the child has not been cleared to re-enter on or before the third (3rd) school day from the date he/she was sent home, the matter will be referred to the School Social Work Department. Referrals will be made to the School Social Work Department for repeated cases of head lice.

Parents of students will be notified when there are multiple outbreaks of head lice within a classroom.

### **HOSPITAL/HOMEBOUND STUDENTS**

A student who has a medically diagnosed, non-communicable condition which restricts him or her to home or a hospital for five or more school days may be eligible for hospital/homebound instruction. Please contact the school principal or assistant principal for further information regarding this program.

### **IMMUNIZATIONS**

The Newton County School System, in accordance with the Georgia Department of Human Resources, requires all students entering a Georgia public school to have up-to-date immunizations. All parents must show valid proof of such immunizations. Immunizations must be recorded on form 3231. Shots may be secured from the Health Department or a private physician. For additional information, contact the school principal or the student services department at 770-787-1330.

### **HEALTH STUDIES**

Instructional units on human growth and development are taught in fifth grade classes as a part of the state of Georgia required health curriculum. It is the right of parents to opt their children out of human growth and development units of study. A letter will be sent home to parents prior to this instruction. If there are concerns or questions, please contact the school principal or assistant principal.

### **HONOR ROLL**

Fourth and fifth grade students are eligible for honor roll recognition at the end of each semester. The "All A" honor roll consists of the names of students who have achieved an average semester grade of "A" in each designated subjects and an average of "S" in all areas where such grades are recorded. The "A/B" honor roll contains the names of students who have achieved at least one average semester grade of "A" and all remaining average semester grades of "B" or better. To qualify for the "A/B" honor roll and an average of "S" must be achieved in areas where such grades are recorded.

Handwriting grades are not considered when determining honor roll eligibility. However, all other subject area and conduct grades are used for determining eligibility.

Students in first, second, and third grades are evaluated using a scale (4, 3, 2, 1 and S, P, N) to judge their attainment of curriculum content objectives. Early childhood is a time to develop and strengthen a child's academic, social, and emotional growth. Development of strong self-esteem is of primary importance during these years.

Therefore, students in these grades are recognized for their individual achievements on a continuing basis instead of an honor roll listing.

### **KINDERGARTEN ROUNDUP and PRE-KINDERGARTEN REGISTRATION**

During early spring, parents of first time kindergartners are requested to bring their incoming kindergartners for registration at roundup activities. Please bring to kindergarten registration: (1) the child's state certified birth certificate, (2) appropriate immunization record, (3) social security card, and (4) two proofs of residence as stated on page 4 of this handbook. Policy requires that these documents be on file for every student enrolling in the Newton County Schools.

The registration process takes approximately two hours. Each child will be given a hearing and vision screening and a simple academic assessment. Questions regarding spring roundup may be directed to the school principal or the Director of Elementary Education (770-787-1330).

Pre-kindergarten registration is also held in early spring. To be eligible for pre-kindergarten, students must have reached their fourth birthday on or before September 1 of the school year in which they intend to enroll. Limited slots are available at each elementary school (with the exception of the Newton County Theme School at Ficquett) requiring the selection of children via a lottery process. Registration documents required for enrollment in pre-kindergarten are the same as outlined above.

### **MAIL, TELEPHONE CALLS, or GIFTS**

Disruptions by the receiving and distributing of items for students in the school and/or on the bus are prohibited. Mail, telephone calls, or gifts (including flowers, balloons, etc.) for students will not be accepted at school. If these items are sent to the school, they will be returned to the sender at that individual's expense.

1. Attend parent-teacher conferences and communicate often with the teacher.
2. Limit television viewing time and establish regular work/study times.
3. Listen to the child. Encourage the child to read, discuss, and tell stories.
4. Play educational games with the child.

5. Research suggests to read to and with all children each day for a minimum of 20 minutes.
6. Become familiar with school procedures and how to address concerns.
7. Volunteer time by tutoring at school, creating learning materials at home, assisting with school activities, joining the PTO/PTA, or becoming a room parent.
8. Let the teacher know in writing if the child is to go to a different address in the afternoon.
9. Check-in at the office first before visiting anywhere in the school. When leaving, please sign out at the school office.
10. Return papers (medical authorization, pupil information, insurance forms, progress reports, notes, etc.) to the school in a prompt manner.
11. Be positive in communication to and about school and school personnel.

### **PARENT-TEACHER CONFERENCES**

Each child's success in school greatly depends upon parental involvement and concern. School administrators and teachers are available throughout the year to conference with parents. **Please call ahead for an appointment for a conference.** In addition, two early-release parent conferences days have been incorporated into the school year calendar. You may also schedule a conference with your child's teacher **in advance** before, during or after school. Drop-in conferences are not permitted. Conferences during the school day at instructional times are prohibited.

### **PROGRAMS in GIFTED EDUCATION**

The Newton County Schools offer educational services for identified gifted students through the Quest program. Quest services are available in first through twelfth grade for students who meet the state eligibility requirements. Students may be referred for consideration for Quest placement by teachers and/or parents.

### **PROGRAMS in SPECIAL EDUCATION**

The Special Education Department of the Newton County Schools provides a complete range of programs and services for students with identified special needs. Special services are available from pre-school through high school for eligible students who are handicapped emotionally, and/or intellectually, and/or physically. Eligibility procedures include initial screening and further educational/psychological testing to determine program eligibility and the type and amount of help needed when eligible.

Special attention is provided to meet the needs of individual students while working closely with the parent(s). An individual education plan (IEP) is formulated for each eligible student. Individual plans consider the types of services and personnel required, each student's learning style, motivational factors, and environmental factors.

Instruction is provided on site in resource rooms or self-contained classes or at alternative school sites. Questions regarding these special services should be directed to the school principal or assistant principal.

### **PROMOTION/RETENTION/PLACEMENT POLICY**

In accordance with State Board of Education Policy, the Newton County Board of Education enacted Policy IHE-Promotion-Retention effective the 2004-2005 school year. The policy states that the promotion, placement or retention of a student will be based on

standards and criteria outlined in the policy and the regulations designed for its implementation. Statewide standards, criteria, and appeal processes specific to grades three and five were updated for the 2015-2016 school year. The school principal or designee will annually notify parents/guardians of the specifics of the policy and its regulations for individual student promotion, placement, or retention.

#### OFFER VS. SERVE/REIMBURSABLE MEALS

Students who participate in the school meals programs are offered several choices of foods at breakfast and lunch. Students do not have to take all of the items offered;

however, they must select a minimum number of items to make a full meal (also known as a reimbursable meal). At breakfast, students must select **at least three of the four items** offered. At lunch, students must select food choices from at least **three of the five meal items** (fruits, vegetables, meat/meat alternates, grains, and milk) offered to have a full meal. At breakfast and lunch at least one of the items selected must be a ½ cup serving of fruit or vegetable for the meal to be a full meal. Any student who does not select the minimum number of items required for a full meal and a fruit or vegetable will **be charged a la carte prices** for items. For more information on how to choose a full meal, visit the School Nutrition Menu webpage at [www.newtoncountyschools.org/](http://www.newtoncountyschools.org/) then go to menus.

### **MEAL CHARGES**

Students will be allowed to charge school meals up to the approved limit of three (3) meals. If three (3) meal charges have occurred, an alternative meal will be served (e.g. peanut butter sandwich or a cheese sandwich with milk for lunch). Parents will be notified of negative balances two times per week by telephone call from the School Messenger system. If School Messenger calls do not reach an active telephone number, a letter will be sent home with the student on Folder Day. **Students will not be allowed to charge extra milk, extra entrees, ice cream, or any type of a-la-carte item. Students may not purchase milk, ice cream, any extra food items or any a-la-carte items if their account has a negative balance.** The School Nutrition Program Manager can provide parents/guardians a student's meal history and account information on the telephone or by letter sent home with the student. Student meal history and account information is also available through [www.mypaymentsplus.com](http://www.mypaymentsplus.com) at no charge to the parent. The student's school identification number is required to access the MypaymentsPlus account information. To insure prompt notification of negative balances, please notify the school attendance clerk at your student's school of all telephone number changes.

### **NON-SUFFICIENT FUNDS AND OTHER RETURNED CHECKS**

In the event the cafeteria receives a returned check due to Non-Sufficient Funds (NSF) or a closed checking account, Envision Payment Solutions (Check Approval Service) will charge a \$37 processing fee. Envision Payment Solutions is the check security system for many stores like Kroger, Wal-Mart, Target, etc. Repayments must be made with cash, money order or cashier's check to Envision Payment Solutions, **P.O. Box 157, Suwanee, Georgia 30024. The company can be contacted at (770) 709-3000or [https://envisionpayments.com/faq\\_check.aspx](https://envisionpayments.com/faq_check.aspx).** If two checks are returned for any non-payment reason, neither you nor your spouse will be allowed to pay for your child/children's meals with a personal check at any Newton County School System Cafeteria for the remainder of the school year. **Any money that is paid to the school cafeteria when the student has a returned check charged to his/her account does not pay the returned check. It simply puts money on the student's account to enable the student to purchase a meal.**

**This institution is an equal opportunity provider.**

### **SCHOOL INSURANCE**

**The Newton County School System does not provide accident insurance for students.** Parents/guardians have the opportunity to buy accident insurance from the Board approved insurance carrier. This policy pays for accidents regardless of any other accident insurance coverage parents may have on a child. School time coverage is for school hours and travels directly to and from school. Twenty-four hour/ twelve month coverage affords year round protection. This insurance is transferable should a student move to another school. Information concerning school insurance programs is sent home at the beginning of the school year if requested.

## **SCHOOL MESSENGER & THE TELEPHONE CONSUMER PROTECTION ACT (TCPA)**

The Newton County School System and individual schools utilize the computer automated telephone dialing program School Messenger in order to contact parents and stakeholders for a variety of reasons, including emergency notifications. In compliance with TCPA you will have an opportunity to decline to receive all calls except those for emergency reasons. If you wish to opt out of receiving notification calls you will be prompted to indicate that wish during the received call. If you opt out of notification calls, you will still receive emergency calls.

## **SCHOOL SOCIAL WORK SERVICES**

School social work services are offered to all Newton County students, parents, and school staff. Requests for services are made by referral. School social workers assist both parents and students with problems related to attendance, health, behavior, economic or social problems and hospital/homebound activities. Social workers coordinate the referrals to other community agencies when necessary.

## **SEXUAL HARASSMENT**

As part of the mission of the Newton County School System, it is our goal to provide a positive school climate for every Newton County School student and teacher. Sexual harassment creates a hostile learning environment and will not be tolerated in our schools. In fact, sexual harassment is a form of discrimination expressly prohibited by Title IX of the Education Act of 1972. The Newton County School System has defined sexual harassment as unwanted sexually oriented words, actions, or gestures that cause discomfort to the person to whom they are directed. During the coming year, each child will be informed of age-appropriate behaviors expected while at school. The child will also have explained to him or her the consequences of sexually harassing others. These consequences may include: a) a verbal reprimand, b) a note sent home to parents, c) a visit with the school counselor or psychologist, d) detention, e) removal from extra-curricular activities, and f) a formal complaint being filed with the system Title IX coordinator. In extreme cases, suspension or the contacting of juvenile authorities may result. See Rule 71 of the Handbook.

## **STUDENT PUBLICITY RELEASE**

The Newton County School System is very proud of the students and staff in the schools. Throughout the year, newsworthy and notable events of interest are shared with the community and other educational agencies to honor school and student performance. Student art, literary, and audio/video productions, which may or may not include the student's photograph, are used to publicize school and/or student achievements. Various types of student work (e.g., creative writing, artwork, slide presentations, multimedia projects) and student photographs (groups or individuals) are presented in media.

Home addresses, telephone numbers, or other personally identifiable student data are not published or released in press releases, newsletters or websites. **However, please note the school system cannot control the inclusion of students in photographs and/or video recording of large group settings covered by the public news media, such as school assemblies, plays, parades, athletic or other extracurricular events. Please see page 59 for excluding a child from appearing in photographs for news media release or on the website.**

## **TESTING**

Students in the Newton County School System experience various forms of standardized and teacher-made tests. Discuss with the child's teacher the types of tests the child will encounter during the school year.

The State of Georgia has a mandatory testing program that includes testing for kindergarten through fifth grade students. Kindergarten children are tested with the Georgia Kindergarten Inventory of Developing Skills (GKIDS). Students in select grade levels will take the Cognitive Abilities Test (CogAT). Students in grades kindergarten through five will take the Iowa Test of Basic Skills (ITBS). Students in grades three through five will be given the state mandated Georgia Milestones End of Grade Assessments (EOG).

### **TEXTBOOKS**

Textbooks are issued to each student when appropriate. All books should be treated as borrowed school property and given the appropriate respect. In case of loss or damage to textbooks, the parent/guardian must pay for the lost or damaged book according to a fixed scale.

### **TITLE I PROGRAM**

Title I is a federally funded program designed to provide additional educational services in all Newton County schools to students in the core curriculum. There are two types of Title I programs: Targeted-Assistance and School-Wide. In a Title I Targeted-Assistance Program, students are selected for program services based on multiple criteria and a Title I teacher works with identified students to provide extra reading and/or mathematics instruction in each student's area of weakness. A Title I School-wide program provides an opportunity for all students to receive assistance in the areas of reading, language arts, mathematics, science and social studies in order to improve academic achievement for all students at the school. The school carefully develops an instructional plan to provide a researched-based, well sequenced, and timely improvement program. Parents of Title I students are encouraged to become involved in parent activities held throughout the year. Questions regarding Title I program services may be directed to the school's principal or the Director of Federal Programs (770-787 1330).

### **VISITORS**

Parents/guardians are welcome as visitors in the Newton County schools. For safety reasons and for safeguarding of the instructional time in the classroom, all visitors are required to report to the front office upon entering the school building. **Visitors will be required to sign in and obtain a visitor's pass. Parents/guardians who wish to visit in their child's classroom must make arrangements with the principal in advance of the requested visit. Parents or legal guardians are the only individuals who may visit a classroom. While visiting in the classroom, parents also are required to follow any directions from the principal and/or the principal's designee.** Failure to comply with directions can result in a parent/guardian being asked by an administrator to leave the classroom and the school. Siblings/relatives are not allowed in the classroom while the parent observes or volunteers in the classroom. Students may not bring siblings to school as their guests. Also, students may not bring friends from other schools or school systems to school as their guests. Upon leaving the school, visitors should report back to the office to sign out and return their visitor's pass.

### **WITHDRAWING A CHILD**

Please contact the school secretary at least 24 hours before the child's last day of school. Also inform the teacher or secretary of the child's future destination. All outstanding fees must be paid and the child must return all textbooks and library material before his/her withdrawal is complete. Each child will take a copy of the withdrawal slip to his/her new school. All records will be forwarded at a later date upon notification of enrollment from the receiving school.

# ELEMENTARY SCHOOL INFORMATION AND PROCEDURES

## PTO (Parent-Teacher Organization)

## Registration and Withdrawals

The requirements for registration of new students are found in the NCSS Elementary Handbook section of this agenda.

## Transportation Changes

Parents should not phone the school to change a child's afternoon method of transportation home. Instead, the school will need a signed and dated note with phone number for verification. A faxed or emailed (see school section for more information) and signed note with phone number for the office to verify will also be accepted. **All transportation changes must be made before 1:30 p.m.**

## CHANGE OF ADDRESS AND/OR PHONE NUMBERS

In the event of an illness, injury, or emergency, the school must have on file current information on each child, which includes current address and telephone numbers. Each child's record must have an emergency contact person and an emergency phone number. In the event that you move, change employment, or change telephone numbers or contact people, you must notify the office and your child's teacher in writing immediately.

## SAFETY

A sincere effort has been put forth to make our school as safe as possible. Protective measures and procedures have been established with the safety of each child in mind. In order to enhance safety everyone must abide by the following.

1. Only the front door to the school lobby will remain unlocked during the school day. All parents/visitors must enter via this door and report to the front office to sign in and receive a visitor pass.
2. When parents check students in or out of school they must come to the office and bring a picture identification. The office will verify the ID and then call for student via the intercom. Check-outs after 1:30 p.m. are not permitted.
3. Tornado drills, fire drills and other safety activities will be conducted to enhance safety.
4. The fire lane is a restricted parking area.

## **TARDIES/CHECK OUTS**

**Students are tardy if they are not seated in their classroom when the 7:40 a.m. bell rings.** Parents should accompany students arriving after 7:40 a.m. to the office to sign their child into school. The child will receive a tardy pass to give to their teacher. Parents/guardians or designated persons checking students out of school must come to the office and bring picture identification. The office will verify the identification with the parent permission to pick-up form and then call for student via the intercom to come to the office. The person checking the student out must sign the check-out register. The person checking out the student may not go to the classroom to get the student. Students checked out after 11:15 are not considered absent. In order for your child to be counted present for the entire school day, he/she must remain at school until 11:15 a.m. or the equivalent of 3 hours and 30 minutes.

For safety reasons, **check-outs after 1:30 p.m. are not permitted.** Please refer to the Newton County Elementary School Handbook section in this agenda for detailed information concerning the attendance policy and penalties for tardies and check-outs.

## **ASSIGNMENT OF STUDENTS TO CLASS**

Students are assigned to classes based on federal, state and local requirements, which include age, sex, race and academic needs. Recent school reform has mandated certain students to move in and out of classrooms set up to meet a specific need in reading or math. Teachers have been assigned to teach grade levels based on projected class size. In cases where a class size exceeds or does not meet projections, students may be reassigned to another teacher for the remainder of the school year. A combination of instructional models is used to provide a quality learning environment. **For these reasons we are unable to accept requests for a specific teacher.** Students may be moved to another teacher for an academic need at the discretion of the professional staff. During the school year the administration may change the placement of students to serve students in programs that meet local, state, and federal program requirements.

## **PARTIES**

Parties are limited to twice each year which includes one at the end of 1st Semester (winter holiday party) and one at the end of the year. Individual student birthdays may be recognized with unopened store-bought treats provided by parents during lunch if so desired. Birthday parties are not to be held in the classrooms in order to protect instructional time. Invitations to birthday parties are not given out at school. (Note: Food brought for special events must be unopened in store-bought containers. Homemade food, cake, etc. is not permitted.)

## **PETS**

Students are not allowed to bring pets to school without advanced permission.

## **PROTECTING INSTRUCTIONAL TIME**

Research indicates that one of the factors affecting student achievement is uninterrupted instructional time. Teachers have prepared a full day of instruction for your child. If your child arrives late or leaves early he/she will miss part of the instructional day. If a parent interrupts a class during the instructional day, the entire class loses instructional time. For this reason, all conferences must be scheduled before or after school or during the teacher's planning time. Also, all parents must check in at the office before going to a classroom. The office staff can check to see if it is an appropriate time to interrupt the teacher. If parents wish to observe in a classroom, simply contact an administrator, (as required by NCSS policy), and they will schedule a time and provide the teacher notice. Siblings or other small children are not allowed in the classroom while a parent observes or volunteers. (For more information see the VISITORS section of the NCSS Elementary Handbook in this agenda.)

## **PERSONAL PROPERTY/LOST AND FOUND**

Please mark all book bags, lunch boxes, sweaters, coats, gloves, hats, coats, and jackets with your child's name. "Lost" items are stored in designated place within the school. The school is not responsible for lost items. Items that are not claimed at the end of each semester are sent to Goodwill or the Salvation Army.

## **STUDENT AGENDAS**

Student agendas are an integral part of the process of communication between teachers and parents. Teachers and parents are expected to review the agenda daily. Teachers may make comments daily about a student's performance or behavior in their agenda. Students will copy down the homework assignments. Parents are expected to sign the agenda each day and check their child's homework. Lost agendas cost \$5 to replace.

## **WEEKLY FOLDERS**

Each child in grades K-5 receive a folder which is sent home weekly. The purpose of the folder is to help students organize communication papers that go home from the school regarding school activities, PTO communication, and work completed by your child. Please check the folder weekly and return it to school the next morning.

## **PARENT VOLUNTEERS**

The Newton County School System values parent volunteers. Parents are encouraged to help in classrooms, assist with special programs, and chaperone field trips. If you are interested in becoming one of our parent volunteers, please contact your child's teacher. All parents/guardians who volunteer are to sign-in through the office and obtain an appropriate badge for the day. Siblings or other small children are not allowed in the classroom while a parent volunteers.

## **PHONE CALLS**

In order to avoid the disruption of instruction, students will not be called to the office to answer phone calls. A message will be taken and placed in the teacher's mailbox. Students will not be allowed to call a parent to change the way they go home, get missing assignments, or projects.

## **CAR RIDER TAGS AND NUMBERS**

Parents that pick up their children from school daily must have a car rider tag and number. Each year parents must sign up for a new car rider tag. When signing up, each family is issued 2 car rider tags. Additional tags must be purchased.

## **CHECKS/RETURNED CHECKS**

Checks may not be accepted however, if they are checks written to the school must include the child's name, ID number, and teacher. There is a service charge on all returned checks. The school reserves the right to place parents with multiple returned checks on a "cash only" basis. Counter checks cannot be accepted.

## **DISCLAIMER**

By no means is the elementary student handbook all-inclusive. This handbook is intended to help parents, students, and school personnel work together. Many guiding statements are included but by no means does it cover every situation.

## **DISCIPLINE – CODE OF CONDUCT**

The Newton County Board of Education operates on the philosophy that all students have the right to learn. Additionally, the Board believes that students should be responsible for their behavior and should be in attendance and on time for school. Students are to respect constituted authority, which includes following school procedures and obeying school rules and regulations. Additionally, discipline is a partnership between the home and the school. The Board anticipates that parents will be concerned and cooperative in dealing with any behavioral problems which may arise.

Developing within the student a healthy self-discipline and for the school a positive school climate involves the use of natural, logical and realistic consequences; a simple structure; reasonable rules; as well as the labeling and accepting of feeling. For this reason, the Board of Education annually approves codes of conduct which include rules and procedures based on local and state laws and policies. The student disciplinary rules and procedures are developed by the administration with input where appropriate from students and parents. These rules are age appropriate, delineate standards of behavior and provide for progressive dispositions where appropriate.

To promote better discipline, school personnel are encouraged to use preventive measures such as, but not limited to, conferences, counseling, school social worker referral and Student Support Team referrals. Misbehavior governed by the code may occur during school hours, outside school hours, on school grounds or campus, off school grounds or campus, at school-sponsored activities whether on or off school grounds/campus, and/or on school-sponsored transportation.

Disposition or disciplinary action taken is intended to show the student how/he/she has ownership of the problem, to help the student formulate ways to prevent the problem from recurring, and to inform the parents of the misconduct. The administration is authorized to use a variety of corrective measures including, but not limited to, student and/or parent conferences, mediation, detention of the student with a teacher or administrator, in-school suspension, or out-of-school suspension to provide for a safe learning environment. Serious behavior problems, which could result in long-term suspension or expulsion, require a hearing before the Disciplinary Hearing Panel. Student behavior which violates state or federal laws as specified in O.C.G.A. 20-2-1184 will result in a report being filed with the appropriate police authority and district attorney.

School administrators may, at their discretion, require a student and his/her parent(s) to sign a behavior contract as a prerequisite for enrollment. All students deserve and have the right to a quality education. All teachers deserve and have the right to teach in an appropriate environment. Parents, students, teachers, and the principals working together can make this a reality and the quality of instruction can improve.

## **SCHOOL WIDE BEHAVIOR EXPECTATIONS**

Students are expected to show respect to adults and each other.

Students are expected to show respect to the school's and each individual's property.

Students are expected to move quietly and in an orderly manner in the building at all times.

## CLASSROOM RULES

All teachers develop a formal discipline plan at each grade level showing steps they will take to handle disciplinary problems. Discipline procedures are designed to teach two very important concepts:

- Certain behaviors are undesirable and should be avoided.
- Certain behaviors are desirable and should be repeated.

The foundation of this plan is the following of school-wide classroom rules and consequences drawn up by a committee of parents, teachers, and administrators.

## SCHOOL-WIDE RULES

1. Respect yourself, others, and their property.
2. Stay in your seat or assigned area.
3. Listen, follow directions, and complete all work.
4. Refrain from disruptive behaviors in class.
5. No physical contact - keep hands, feet, and other objects to yourself.

## STUDENT BEHAVIOR

The school exists to provide each student with comprehensive educational opportunities. It is the desire of the teachers, administration, and other staff members that each student should have every opportunity to take advantage of the instructional programs offered. To assist in knowing what behavior is expected of, a behavior code has been developed to inform all students of the actions which violate school rules and the consequences of those actions.

Students should:

- attend school daily and be on time
- be prepared to come to class with appropriate working materials
- be respectful to all individuals and property
- refrain from PROFANE, INFLAMMATORY, OR RACIST statements
- act in a safe and responsible manner
- be responsible for your own work
- abide by the rules and regulations of the school and each classroom teacher
- seek changes in an orderly manner

Parents must accept the responsibility for providing the important early training that every child needs in preparation for the formal education that begins in pre-kindergarten, kindergarten, or first grade. Parents should strive to provide children with basic training in good conduct, respect for other persons and property, and positive attitudes about learning. Parents share the responsibility to keep lines of communication open between home and school, to be informed of all facts before taking concerns and complaints to the proper person, to be supportive of the teacher, and to encourage positive attitudes in the student toward school and learning. **School administrators cannot disclose to a parent/guardian how a child that is not theirs was disciplined.**

Parents should:

- regularly communicate with the school authorities concerning their child's progress and conduct
- insure that their child is in daily attendance and promptly report and explain an absence or tardiness to school

- provide their child with the resources needed to complete class work (pencils, pen, paper, etc.)
- assist their child in being healthy, neat, and clean
- bring to the attention of school authorities any problem or condition which adversely affects their child or other students of the school
- discuss report cards and work assignment with their child
- maintain up-to-date HOME, WORK, and EMERGENCY telephone numbers at the school including doctor preferences, an emergency health care form, and current home address
- cooperate with the school in terms of completion of homework assignments.

### **DEFINITIONS**

#### **A. STUDENT TIME OUT PROGRAM (STOP) / IN-SCHOOL SUSPENSION PROGRAM (ISS)**

Placement in STOP/ISS is the removal of students from their regular classes for a period of time to a highly structured, supervised area. Parents will be notified by phone or letter when students are assigned. Students are counted present for school attendance and are provided individualized assignments from their regular classroom teachers. Students who fail to abide by the rules and regulations of STOP/ISS may receive additional STOP/ISS time, or be suspended from school. This suspension will be separate from, and in addition to, any days already served in STOP/ISS. Any absences during an STOP/ISS assignment will be made up before the student returns to the regular classroom.

Students will bring basic learning supplies (including all textbooks and folders) to STOP/ISS, will do assigned work quietly in their seats or wherever appropriate, will show respect for themselves and others, and will obey all school rules and regulations.

#### **B. OUT-OF-SCHOOL SUSPENSION**

Out-of-school suspension is the removal of students from school for a specified period of time.
