Dear Students and Parents:

Welcome to Newton County Theme School! It is with great anticipation and excitement that we begin this new school year. We have an outstanding school and have earned many accolades. However, we don't want to stop where we are. We have aspirations of becoming a world-class school and intend to continue working toward achieving our goal. Here at NCTS, we strive for educational excellence, and we feel that educational excellence can only be achieved by having high expectations for our students and for ourselves as educators. We believe in educating the "whole child." We do this by embracing S.T.E.A.M. (Science, Technology, Engineering, Arts, and Math), with a focus on fine arts, as well. Of course, parental involvement is key to our success. We truly believe that with all of us—students, teachers and staff, parents, and the community—working together, there is nothing we can't accomplish! In 2017-2018, let's all get on board to move **"Full S.T.E.A.M. Ahead"!!!**

The first pages of this handbook contain information that should provide you with a better understanding of our school and its procedures, followed by policies and procedures applicable to all Newton County schools. It is important that you read both, for these are the policies that will guide our decisions here at NCTS.

Please take care of this handbook. You will use it for organizing homework assignments as well as for communicating between home and school. If there are questions or concerns, please feel free to call us.

Sincerely,

NCTS Administrative Team

MISSION OF NEWTON COUNTY THEME SCHOOL

The mission of the Newton County Theme School is to provide educational excellence for all students by creating a collaborative environment that empowers students, parents, staff, and community members to ignite a lifetime desire and love of learning through project-based learning, rigorous curriculum and family involvement.

VISION OF NEWTON COUNTY THEME SCHOOL

The vision of Newton County Theme School is to become a world-class school where students engage in rigorous and well-rounded curriculum in a safe and motivating environment that prepares them for future learning and life beyond school.

NEWTON COUNTY THEME SCHOOL

The Newton County Theme School (NCTS) provides school choice within the Newton County School System. In order to be a part of the theme school, children and parents must make a commitment to adhere to the NCTS contract. Highlights of the contract include a uniform code of dress, required volunteer hours, high academic expectations, and an emphasis on increased behavioral expectations. Parents are a vital part of NCTS as they work to reinforce these expectations and support the instructional program. Parents are required to contribute 20 hours per year of school volunteer service. These hours do not necessarily need to be completed during school hours; therefore, no student is excluded because of parent work schedules. In addition to the volunteer hours, parents are expected to partner with the school, ultimately strengthening the educational environment. This home-school partnership includes attending Parent Teacher Organization (PTO) meetings and parent-teacher conferences. At NCTS, it is an expectation that parents ensure homework and projects are completed on time and that children read every day. Additionally, during the summer months, children are expected to continue to read daily and to review mathematical concepts and facts so that gains made during the academic year are not lost.

ARRIVAL and DISMISSAL PROCEDURES

ARRIVAL AT SCHOOL

Children should arrive at school and **be in class** by **7:40 A.M.** so they do not miss important instruction. Students may enter the front doors of the building at 7:00 A.M. and will report to the cafeteria until 7:05, at which point all students will be allowed to go to their classrooms. **All other doors will remain locked until 7:05 A.M.** Thank you for your cooperation with this important safety issue.

If you will be driving your child to school by car, please use either the front drive or the back drive and come through the parking lot below the school. Everyone must enter by Mill St. for both drop-off locations. For safety reasons, please do not come through any part of the Board parking lot to try and enter one of the two morning drop off car lines. A staff member and/or parent volunteer will do their best to assist your children in unloading and getting into the building. If you have older children, please encourage them to unload themselves and any younger siblings from the vehicle to help keep the traffic flow moving, especially when there are limited number of parent volunteers.

The preferred method for getting students to school is to use the car-rider lane. If you need to park occasionally in the Board of Education (BOE) parking lot, please adhere to the following :

1. Accompany all students, regardless of age, to the sidewalk that leads to NCTS. DO NOT let students cross the parking lot unattended.
2. The BOE parking lot cannot be used as a "car loop" for dropping off students. Do not park along the red fire lane curb areas. You must park in a designated BOE parking space at all times.
3. Please park and drive responsibly in the BOE parking lot. Follow established traffic patterns and do not drive through empty parking spaces.
4. Do not park at the barricade facing Newton County Theme School. When parents attempt to reverse, congestion occurs and unsafe conditions for young children are created.
5. The BOE parking lot primarily serves as parking for BOE employees and visitors to the BOE. Therefore, please arrive earlier than 7 :30 A.M. and vacate the lot by 7:40 A.M.

If you park down in the lower parking lot, please do not park in the designated faculty area and please walk your child to the designated crosswalk and wait with your child until given permission to cross by a staff member. If you decide to park your car instead of using one of the two morning drop off lines in the morning, you must park in the designated lower parking lot area, the BOE parking lot, or in legal parking spaces on Newton Drive. Thank you for helping us to ensure the safest environment possible for our students as they enter the building each morning.

NOTE : After the first full week of school (2 weeks for kindergarteners), we ask that parents allow their children to walk to class on their own. If a parent must walk to their child's room for some reason, the parent must enter through the front doors, sign in at the front office, and put on a visitor's sticker. We ask that parents do not try to conference with teachers at this time. Teachers are getting ready for their day, and other children should not hear adults talking about specific students. If a parent needs to bring an item to the school for his/her child, please take the item to the front office, and a staff member will make sure the child gets the item.

DISMISSAL AFTER SCHOOL

Car Riders – Kindergarten, first grade, and second grade car-riders, along with their siblings, are dismissed from the front of the building. Third, fourth, fifth, sixth, seventh and eighth grade students are dismissed from the back of the building at the back entrance of the gym. For the safety of your

children, please have your car rider number tag hanging from your car mirror that matches your child's number on his/her bookbag tag. These numbers may be picked up during Open House. It is very important that all parents pick up their children through one of the designated pick-up lines to ensure every student gets home safely. The car rider pick-up line runs from **2:10–2:40**.

If you are unable to pick up your child by **2:40**, you may need to find other means of child care, such as our after-school program or daycare. *Our office staff cannot be responsible for your children after 2:40.*

Daycare – Students who are going to daycare facilities from school must have a written note to the teacher stating which daycare bus/van they will be riding.

Buses – Students who ride one of our buses must have written permission stating the bus number and the drop-off point. Students will receive a bus tag number to put on their bookbags, and the parents will be given a tag for the car. Bus information and bus tags may be obtained during Open House. We have four (4) bus pick-up/drop-off locations: Oxford Baptist Church on Hwy. 81 in Oxford, the “Old” Walmart on Hwy 278, the bus parking lot next to Live Oak Elementary, and Denny Dobbs Park across from Oak Hill Elementary.

After-School Academic Program – Students who go to the after-school program at our school must have registered for this program through our after-school director.

Walkers – If you wish for your child to be a “walker,” you need to send a note, signed by you, the legal guardian, to the front office, giving permission for your child to be a “walker.” You will need to pick your child up between 2:10 and 2:30 from the designated classroom and walk with your child off the campus premises. Please make sure you have your car tag so that we can match it with your child's tag.

CHANGES IN TRANSPORTATION

Students feel safe and confident when they go home the same way every day. If it becomes necessary to change the way your child goes home, you must send a written note to the teacher or email to Ms. Tina Hanson (hanson.tina@newton.k12.ga.us) before 1:30 p.m. If you send an email,

please call to ensure the email was received. No transportation changes will be made after 1:30 p.m. Thank you for your attention to this for safety purposes.

ATTENDANCE

ABSENCES

It is important that students be at school all day, every day. If a student is absent, a written excuse should be sent to his/her teacher within three days of returning to school. A parent is allowed to write excuses for five absences. A doctor's excuse is required for absences beyond the five parent notes. Students will be responsible for any assignments missed due to absences. To remain at the theme school, a child may have no more than five **unexcused** absences.

TARDIES

If students are not in class by **7:40 a.m.**, they are considered tardy and must check in at the front office. Tardies are unexcused unless a doctor's note is received. (If there are extenuating circumstances, the parent must contact the principal who will make a decision as to whether the tardy is excused or not.) **Our Parental Commitment Contract explains in detail the NCTS attendance requirements.**

EARLY CHECKOUTS

The Newton County Theme School puts student safety first. Any person checking out a student must present a photo identification card (such as a driver's license) and be listed on the Student Release Transportation Card. Remember that checkouts must be made by 1:30 p.m. This procedure is in place to ensure all students get home safely and that the dismissal process maintains a safe environment. Please do not check your child out early unless it is absolutely necessary. It is academically disturbing for your child and other children in that classroom. ***Any time you check your child out before 2 :10 p.m., it is considered an early checkout.*** Checkouts are considered unexcused unless excused by the nurse or a doctor's note is received. When your child is to be checked out early, please follow these guidelines:

- Send a note in advance if you know you will be checking out your child early.

- **Please come to the front office, not the classroom, to check out a child.**
- **Remain in the front lobby or office area for your child to come to you. Do not go to the classroom to retrieve your child. Doing so can cause an unsafe and disruptive learning environment.**
- Sign the student out with the secretary at the front desk.
- Be prepared to show a picture identification.
- There should be no checkouts after 1:30 p.m.
- Checking out any time before 2 :10 p.m. constitutes an early checkout.

ATHLETICS

Seventh and eighth grade students are allowed to try out for teams at their zoned school.

NEWTON COUNTY SCHOOLS

OUR VISION The Newton County School System envisions students who, through a rigorous and relevant education, will be able to think critically in order to produce, perform, create, and communicate their knowledge competitively to a hyper-connected, global audience

OUR MISSION is to provide educational excellence for all students!

OUR NON-NEGOTIABLE GOALS are increased student achievement and more effective teaching.

OUR STRATEGY is two-fold: At the school system level --

- **To build the capacity of personnel to deliver high quality instruction through:**
 - Using Research-Based Instructional Strategies in classrooms (RBIS)
 - Building the Background Knowledge of students during the school day (BBK)
 - Integrating the use of technology in classroom lessons (TI)

At the school building level --

- **To ensure high-functioning Professional Learning Communities (PLCs) in each school with a definite time and place to meet and an agenda of work centered around instruction and its outcomes for students through ongoing question-asking and action steps:**
 - What do we want students to know, do, and understand?
Connection: Common Core Georgia Performance Standards (CCGPS)/Georgia Performance Standards (GPS)/Georgia Assessments (Steps 1 & 2)
 - How do we best engage students in the learning?
Connection: RBIS, BBK, TI (Step 2)
 - How do we know if students know, do, and understand what we want?
Connection: Common Assessments—Formative & Benchmarks (Steps 3 & 4)
 - What do we do when students don't know, do, and understand what we want?
Connection: RtI (tiered remediation); Enrichment (Steps 5 & 6)
 - Step 1: Pre-analyze data aligned to CCGPS/GPS/Georgia Assessments
 - Step 2: Deliver standards-based instruction using RBIS, BBK, & TI
 - Step 3: Conduct common assessments (formative and/or benchmarks) aligned to CCGPS/GPS/Georgia Assessments
 - Step 4: Analyze common assessment results to check for mastery
 - Step 5: Implement GPS-based tiered remediation (RtI) and Enrichment
 - Step 6: Check for mastery/Repeat cycle

OUR TIMETABLE is over the next five school years (2013-14 – 2017-18).

OUR RESULTS will show continuous improvement related to student achievement and more effective teaching as exhibited by Georgia Milestones/CRCTs, GHSGTs, and EOCTs no later than Spring 2014-15 forward. Additionally, we will program for greater student exposure to and success in college readiness (ACT, SAT, AP) and workplace readiness (ACT WorkKeys a.k.a. Georgia Work Ready Assessments).

GRIEVANCES AND DISCRIMINATION

The School District does not discriminate on the basis of race, color or national origin, sex or disability in any student program. It is the policy of the Board of Education to comply fully with the requirements of Title VI, Title IX, Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act and all accompanying regulations.

Any student, parent or other person who believes he or she or any student has been discriminated against or harassed in violation of this policy must make a complaint in accordance with the procedures outlined below.

COMPLAINTS PROCEDURE

Complaints made to the School District regarding alleged discrimination or harassment on the basis of race, color or national origin in violation of Title VI, on the basis of sex in violation of Title IX or on the basis of disability in violation of Section 504 of the Rehabilitation Act of 1973 or the Americans With Disabilities Act will be processed in accordance with the following procedure:

1. Any student, employee, parent or other person with a complaint or report alleging a violation as described above shall promptly notify, in writing, either the principal for his/her school or the appropriate coordinator designated from time to time by the Board of Education [or by the principal]. If the complaint is made to a school principal, he or she shall be responsible for notifying the appropriate coordinator of the complaint.
2. If the alleged offending individual is the coordinator or the principal, the complaint shall either be made by the complainant to the Superintendent or, if the complaint is initially made to the school principal, reported by the principal to the Superintendent. If the alleged offending individual is the Superintendent, the complaint shall be made to the designated coordinator, who shall, without further investigation, report the complaint to the Board chairperson.
3. The coordinator or his or her designee shall have fifteen work days to gather all information relevant to the complaint made, review the information, determine the facts relating to the complaint, review the action requested by the complainant, and attempt to resolve the complaint with the complainant and any other persons involved. The coordinator or designee shall prepare a written response to the complaint detailing any action to be taken in response to the complaint and the time frame in which such action will be taken and copies of this response shall be furnished to the complainant, the appropriate coordinator and the principal or his or her designee.
4. If the complaint is not resolved at the conclusion of this fifteen-day period or if the complainant is not satisfied with the resolution of the complaint, the complainant shall have the right, within five work days of receiving a copy of the written response, to have the complaint referred to the Superintendent of Schools. If the alleged offending individual is the Superintendent, the complainant may have the complaint referred to the Board of Education, rather than the Superintendent.
5. The Superintendent shall have fifteen work days to review the complaint and the response of the coordinator or designee and attempt to resolve the complaint. The Superintendent shall furnish to the complainant a written

response setting forth either his or her approval of the action recommended by the coordinator or designee or the action to be taken by the School District in response to the complaint in lieu of that recommended by the coordinator or designee and the time frame in which such action shall be taken.

6. This policy is not intended to deprive any student or parent of any right they may have to file a complaint under any other applicable policy of the local board or to contact the Office of Civil Rights or other appropriate state or federal agency with regard to any allegations that the School District has violated the statutes described above.
7. The School District shall be responsible for distributing and disseminating information relevant to this policy and procedure to students, parents and employees through appropriate procedures.
8. No reprisal shall occur as a result of reporting unlawful discrimination or harassment under this policy, and any attempt to retaliate against a complainant shall be disciplined as is appropriate.
9. The confidentiality of any individual making a complaint or report in accordance with this policy, to the extent it is reasonably possible and complies with the law, shall be protected, although the discovery of the truth and the elimination of unlawful harassment shall be the overriding consideration.

The following individuals have been designated as the employees responsible for coordinating the district's effort to implement this nondiscriminatory policy.

Title I, McKinney-Vento, School Improvement, Parent Involvement- Director of Federal Programs
Title II – Director of Secondary C & I and Professional Learning

Section 504 of the Rehabilitation Act of 1973

Section 504 provides that no qualified individual with a disability should, only by reason of his or her disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.

Newton County School System Section 504 Parent Rights and Procedural Safeguards are posted on the school system website and are available for review via the following web-links.

A) ATTENDANCE INFORMATION

Absences and Excuses

We believe that students benefit from regular school attendance. Students are expected to be in school each day. Parents and the school must work together to encourage regular school attendance.

In support of good school attendance, a protocol has been developed by representatives of the following agencies/offices: Department of Family and Children Services; Juvenile Court; District Attorney's Office; Sheriff's Office; the Chiefs of Police of Covington, Oxford and Porterdale; Health Department; Mental Health; the Community Partnership; and the Board of Education. The protocol states the commitment of the groups to identify report, investigate and prosecute cases of alleged violation of the state law related to school attendance.

Students shall be in attendance at public schools in accordance with requirements of the compulsory school attendance law and for the number of full-length days prescribed by law.

Students will be temporarily excused from school for one or more of the following incidences:

- when personally ill and when attendance in school would endanger their health or the health of others.
- when in their immediate family there is a serious illness or death which would reasonably necessitate absence from school.
- on celebrated and recognized religious holidays observed by their faith necessitating absence from school.
- when mandated by order of governmental agencies (Example: pre-induction physical examination of service in armed forces or court order).
- when conditions render school attendance impossible or hazardous to their health or safety.
- when registering to vote or voting for a period not to exceed one day.
- when mitigating circumstances warrant, as determined by the school principal.
- when suspended from school.
- a student whose parent or legal guardian in military service, in the armed forces of the United States or the National Guard and has been called to duty for or is on leave from overseas deployment.

Students shall be counted present:

- when involved on a school sponsored/approved trip.
- when serving as Pages for the Georgia General Assembly.
- when enrolled in the Hospital Homebound program.
- when serving ISS
- when in attendance at least one half of the instructional day for middle school students (12:30
- when high school students attend at least (4) periods during the school day.

It shall be policy of the Newton County Board of Education to admit students for enrollment in the Newton County Schools if they reside in Newton County or if they are the child of an employee as described in Policy JBCC, unless the student has attained the age of twenty (20) on or before September 1 or has received a high school diploma or the equivalent.

The school system reserves the right to convene a placement review committee to determine whether alternative school placement or non-enrollment is appropriate if the student

- has dropped out of school for one quarter or more from any other secondary school
- is not in good standing (academic/behavioral) upon withdrawing from the previous school
- is under suspension or expulsion from another public or private school
- is entering from a Youth Detention Center or a behavioral rehabilitative program
- has failed to enroll during the first twenty (20) days of the current semester or has excessive unexcused absences or days off roll.

If the student is admitted to an alternative placement, the student must make up all missed work to be eligible to receive credit. If work is not made up, the student will receive N/C, no-credit, for the semester. Students enrolling in the Newton County School System will not receive credit for courses after the 20th day from the beginning of school unless the student makes up the required 150 hours of instruction and passes the course. The school principal or designee may utilize Instructional Focus time for any student needing to complete the required seat time to receive credit to maintain the required 150 hours.

The Newton County Board of Education authorizes the placement review committee to hear appeals and decide the re-admission or enrollment of any student who has been suspended or expelled for being convicted of, being adjudicated to have committed, being indicted for, or having information filed for the commission of any felony or any delinquent act under Code Section 15-11-28 which would be a felony if committed by an adult.

An individual classified as a student with disabilities is eligible for enrollment in appropriate education programs until they receive a high school diploma or equivalent or they reach their twenty-second [22] birthday whichever comes first; Students must present a written excuse upon return after an absence, whether excused or unexcused and/or an admit slip if the student checked-in/out. **The excuse or admit slip must be presented to the teacher and/or attendance clerk within three days of the student's return to school; otherwise the absence will be recorded as unexcused.** Credit for make-up work will be granted only when the work is submitted adhering to the attendance policy timeline.

Changes in Georgia law require that parents or guardians must sign a statement indicating receipt of written attendance requirements and possible consequences/penalties. The "Parent Notice of Understanding and Receipt" on the last page of this handbook indicates such receipt of attendance requirements. Students must sign a statement indicating receipt of the requirements and possible consequences and penalties. If the notice is not returned to school, the school will have met its responsibility to notify you of the requirements and possible consequences/penalties, if after two reasonable attempts to secure signatures, the parents or guardians are sent, via certified mail, return receipt requested, a copy of the statement.

Academic Consequences of Absences

Students who are absent must initiate make-up work with teachers on the first day they return.

It is the responsibility of the student to keep up with all assignments of classes whether absences are excused or unexcused. The school will not deny the student the right to the information missed for an unexcused absence. Students are advised to check with classmates and consult the course syllabus as a means of keeping up with each class assignment.

A student under suspension will be allowed to make up work and receive full credit. Some work, by its very nature, is impossible to make up and may necessitate alternative assignments. The principal (or designee) is the final authority in determining alternative assignments. Students will lose credit for any work not made up within the number of school days suspended. For example, if a student is suspended 3 days, the student will have 3 days upon return to school to complete make-up work.

For middle & high school students: Parents/guardians may submit written excuses for up to five (5) days of absences per school year. For absences due to personal illness, students must present original documentation from a medical provider in order for any absence after five absences to be excused. Absences resulting from any other reason specified as “excused” will be accepted with appropriate documentation i.e., a copy of a subpoena for a court appearance, etc. (See Section A). **Failure to provide this documentation within three (3) days after returning to school will result in absences recorded as “unexcused.”** High school students will not be granted credit when unexcused absences exceed ten (10) days per class per year. When credit for a course is denied, the grade designation for no credit (NC) shall be given for each class the student passed. The actual numerical grade shall be given for each class failed.

Students who are absent from school, whether the absence is excused or unexcused, are not allowed to participate in (or attend) any sporting event or extra-curricular activity that is held the day of the absence.

Consequences for Parents/Guardians of Children with Excessive Absences

In order to comply with Georgia law, a parent/guardian of a student with more than five (5) unexcused absences may be referred to the appropriate court and will be subject to fines of not less than \$25.00 nor more than \$100.00 or imprisonment up to 30 days or community service or any combination of penalties. (Code Section 20-2-690.1) Each absence after notification of violation that a child has five unexcused days of absence shall constitute a separate offense. When a student has been absent three days and then five days, the parent will be notified. Notification may include one or more of the following: a letter to the parent/guardian, phone call to parent/guardian or a phone call to the residence via School Messenger.

For a student with five cumulative unexcused days of absence, the school system will make two reasonable attempts to notify parents/guardians of the unexcused absences. If there is no response from the parent/guardian, they will be notified via certified mail, return receipt requested of the unexcused days.

B) GA LAW 20-2-1182

Persons other than students who insult or abuse school system personnel in the presence of pupils may be ordered to leave school premises and/or be banned from campus.

Any parent, guardian, or person other than a student at the public school in question who has been advised that minor children are present and who continues to upbraid, insult, or abuse any public school teacher, public school administrator, or public school bus driver in the presence and hearing of a pupil while on the premises of any public school or public school bus may be ordered by any of the above designated school personnel to leave the school premises or school bus, and upon failure to do so such person shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine not to exceed \$500.00. (Code 1981, § 20-2-1182, enacted by Ga. L. 1989, p. 1394, § 1; Ga. L. 2001, p. 4, § 20.)

C) CHAIN OF COMMAND

Constructive criticism of the schools is welcomed by the Board of Education whenever it is motivated by a sincere desire to improve the quality of the educational program or to equip the schools to complete their tasks more effectively.

The Newton County School System does not recognize social media (e.g., Facebook, Twitter, blogs, etc.) as primary means of communication in relation to student, parent, personnel or school system issues. If you have a concern that you wish to be addressed, please contact school and/or system personnel directly via email, phone, letter, or in person in efforts to resolve matters. Additionally, please follow the prescribed Chain of Command to address concerns.

Members of the Newton County Board of Education have confidence in the professional staff and desire to support their actions in order that they are free from unnecessary, spiteful, or negative criticism and complaint. These statements do not supersede any employee's or citizen's rights to contact Board members directly. However, whenever a complaint is made directly to the Board as a whole or to a Board member as an individual, it will be referred to the administration for study and possible resolution.

The Board advises the public that the proper channeling of and most effective way to resolve complaints involving instruction, discipline, curriculum/instruction, or transportation is to contact the individual at your student's school who is designated by position in the chart below to deal with such concerns. Any issue outside of this chart's listing should be addressed to the principal. The Board will consider hearing complaints when they cannot be resolved through the use of the channels below:

Discipline	Curriculum	Transportation	Athletics
Teacher	Teacher	Appropriate Zone Supervisor	Coach
Appropriate Assistant Principal	Appropriate Assistant Principal	Appropriate Assistant Principal	Assistant Athletic Director
Principal	Principal	Principal	Athletic Director
Director of Secondary Ed	Director of Secondary Ed	Director of Support Services	Principal

D) CHECKING IN AND OUT

1. Any student who arrives at school after 9:00 a.m. if attending a middle school and after 8:15 a.m. if attending a high school must check-in at the designated area. A check in pass will be issued and should be presented to the classroom teacher. Students who habitually check in late will be subject to the tardy policy.
2. Early Release Days-When school is dismissed early, on system designated “early release” days, students eat breakfast and lunch at school and are dismissed at the following times:

Elementary Schools-11:15

Middle Schools- 1:15

High Schools- 12:15

3. During the school day, a student will be released from school only to a parent or legal guardian or other authorized person. **Such persons shall be properly identified.** Students are not to leave campus unless they have an official check-out slip. The parent or authorized person who will pick up the student must come inside the school and sign the check-out record. Once the check-out procedures are finalized, students are expected to leave the premises immediately. The school designates an office area to handle all requests by parents or authorized persons who call the school or come to the school requesting permission for a student to check-out. All phone calls and written requests should be received at least one hour before requested check-out time. If this process is not followed, some delay can be expected. **Simply checking out a student from school does not constitute an excused absence for the class missed. In order for absences to be excused, a parent/guardian must provide appropriate documentation for the classes missed within three (3) days of the absence. No permissive checkouts are allowed after 3:45 for middle schools and 2:45 for high schools.**

E) HOSPITAL/HOMEBOUND PROGRAM

Students who are unable to attend school due to prolonged medical illness or injury can request instructional assistance through the hospital/homebound program. Parents or students should contact the Principal/designee for a hospital/homebound application.

F) WORK PERMIT

An Employment Certificate, commonly called a Work Permit, is required for all minors who are employed and have not reached their 18th birthday. Each middle and high school has two issuing officers. Work Permits for Newton County students are only issued at their home school. Students should secure an application for a work permit at www.dol.state.ga.us. Students should complete the first portion of the application. The employer must complete the appropriate section on the application. Students should then bring the application to the issuing officer at the school. The issuing officer will verify proof of age by checking the certified birth certificate on file at the school and then will issue a work permit. A permit **cannot** be issued to a parent or guardian.

G) REGISTRATION REQUIREMENTS FOR NEW AND RE-ENTRY STUDENTS

New and re-entry students must be accompanied by a parent/guardian and have a conference with the Principal and/or his designee. New students must provide the following eight (8) items:

1. **Proof of Prior School Enrollment.** A withdrawal form and unofficial transcript or report card will provide proof of prior school enrollment.
2. **Residency Verification.** The parent/guardian must provide both a non-contingent sales contract or lease or deed **and** at least one utility bill or receipt of service deposit in the parent/guardian's name with the same address validating residency in Newton County at the time of registration. (No Post Office Box). A student will be withdrawn from the Newton County Schools if it is discovered that he/she was admitted with fraudulent residency information. NOTE: Verification of residence within Newton County may be requested at any time at the discretion of the administration regardless of the date of enrollment within the school system.
3. **Custody/Guardianship.** The person enrolling a student shall present proper identification which may include a driver's license, a state identification card, or passport. Proof of custody/ guardianship must be provided if the child does not live with one or both parents. This document must be provided at the time of registration.

(Out-of-state forms will be accepted if dated within the last twelve months.)
6. **Certified Birth Certificate.**
7. **Social Security Number.** It is important to note that state law does not permit disbursement of HOPE Scholarship funds to students without an associated Social Security Number.
8. **Two years of school discipline records.** Students in grades 7-12 cannot be enrolled without proper discipline records. Students without proper discipline records may be referred to the placement review committee for enrollment. School administrators may, at their discretion, require a student and his/her parent(s) to sign a behavior contract as a prerequisite for enrollment.

H) WITHDRAWAL OR TRANSFER FROM SCHOOL

When a student desires to withdraw or transfer to another school, he/she must have the written permission of his/her parents or guardian if under the age of eighteen prior to withdrawing as a drop out. Prior to accepting such permission, a school administrator will have a conference with the student and parent or legal guardian within two school days of receiving notice of the intent of the student to withdraw. The purpose of the conference is to share with the student and parent/guardian educational options available and the consequences of not earning a high school diploma.

All transfers and withdrawals are processed through the counseling office. A student who transfers from a secondary school will receive the grade earned at the time of withdrawal.

I) SPECIAL PROGRAMS

A student may be assigned to another school to provide access to a special instructional program(s) not available in the home school to which he/she would be assigned based on his/her place of residence. Beginning with the 2013-14 school year, “special instructional program(s)” are JROTC, the Academy of Liberal Arts at Newton High School, and the STEM Institute at Newton College and Career Academy. This stipulation for out-of-zone assignment will apply for the duration of the time a student is enrolled in special programs assigned to that school. The parent/guardian will be responsible for transporting the student to and from school. Policies and procedures of the Georgia High School Association apply. Only students accepted and enrolled in the “special instructional program” are eligible to have out-of-zone requests approved. Siblings not enrolled in the “special instructional program” will not be granted out-of-zone enrollment.

L) SCHOOL CANCELLATION OR EMERGENCY SCHOOL CLOSING (EARLY DISMISSAL) DUE TO SEVERE WEATHER:

Newton County School System (NCSS) adheres to the following procedures regarding school closure or early dismissal due to inclement weather. If severe weather occurs or is predicted in advance, the school superintendent will try to make a decision by 10 p.m. the night before a school closure. Weather changes quickly and as a result, it is not always possible to make an accurate decision by 10 p.m. If a definite decision to close schools cannot be made by 10 p.m., Newton County School System personnel will monitor weather and road conditions overnight and into early morning hours. If a school closing

is necessary, the Superintendent would make that decision no later than 5 a.m. on the morning of the school closure. Please do not call the schools or central office to inquire about possible school closings as that occupies phone lines and delays a district announcement. School closing announcements would be posted on the Newton County School System website, the district's Facebook and Twitter pages, and on metro-Atlanta television stations. In addition, a School Messenger Call would go out to NCSS families and employees. It is very important that parents keep phone information up-to-date as School Messenger utilizes parent contact information on file in Infinite Campus. Should weather become severe during the school day resulting in the need to dismiss students early, the Newton County School System would initiate an Emergency School Messenger Call to parents. As with a school cancellation, the early dismissal announcement would be posted on the NCSS website, Facebook, and Twitter pages, and metro-Atlanta television stations will also be notified.

M) STUDENT PUBLICITY RELEASE

The Newton County School System is very proud of the students and staff in the schools. Throughout the year, newsworthy and notable events of interest are shared with the community and other educational agencies to honor school and student performance. Student art, literary, and audio/video productions which may or may not include your student's photograph are used to publicize school and/or student achievements. Various types of student work (e.g., creative writing, artwork, slide presentations, multimedia projects) and student photographs (groups or individuals) are presented in media.

Home addresses, telephone numbers, or other personally identifiable student data are not published or released in press releases, newsletters or websites. **However, please note the school system cannot control the inclusion of students in photographs or video images of large group settings covered by the public news media, such as school assemblies, plays, parades, athletic, instructional activities or other extracurricular events. Please see the last pages of this document for signing the Publicity Release form.**

N) NEWTON COLLEGE AND CAREER ACADEMY (NCCA)

With full support of the Newton County Board of Education, Georgia Piedmont Technical College, the Covington/Newton County Chamber of Commerce, and our community and business leaders, the Newton College and Career Academy (NCCA) was created to enhance academic achievement and provide students with the knowledge and skills necessary to succeed in postsecondary education and the workforce. Our goal is to provide students in Newton County high schools with requisite skills and knowledge to exceed the majority of U.S. Department of Education performance indicators; to increase the number of students in Newton County high schools receiving post-secondary credits through local post-secondary partners; and to help students become workplace ready in order to be gainfully employed or to continue their education and training in a variety of post-secondary options.

Students at NCCA will have the chance to connect more directly with their career paths and earn industry credentials in addition to their high school diploma, increasing the chance for our students to be gainfully employed in a very competitive work environment. Programs at NCCA focus in areas that are high skill, high wage, and high demand occupations.

NCCA will offer 22 Career Pathway programs in our state-of-the-art classroom and laboratory facilities.

Students in all three Newton County high schools are eligible for enrollment at NCCA. For more information about student enrollment, contact a Newton County high school guidance counselor.

O) ENGLISH FOR STUDENTS OF OTHER LANGUAGES

English for Students of Other Languages (ESOL) program provides a curriculum and instructional assistance to students not proficient in English because their native tongue is other than English. The ESOL program provides academic language development and proficiency in listening, speaking, reading, and writing while integrating state standards to support academic achievement in the regular classroom.

P) RESPONSE TO INTERVENTION (RTI)

Each school has a Response to Intervention (RtI) process established to review referrals of students experiencing academic and/or behavioral difficulties. The RtI teams may be composed of the school principal or assistant principal, teachers, school counselor, psychologist, and other appropriate school personnel. The RtI teams assist classroom teachers in identifying the needs of referred students, planning alternative instructional and/or behavioral strategies, and serving to determine the promotion/placement/or retention of a student.

Q) TITLE I PROGRAM

Title I is a federally funded program designed to provide additional educational services in all Newton County Schools to students in the core curriculum. There are two types of Title I programs offered: Targeted-Assistance and School-Wide. In a Title I Targeted-Assistance Program, students are selected for program services based on multiple criteria and a Title I teacher works with identified students to provide extra reading and/or mathematics instruction in each student's area of weakness. A Title I School-wide program provides an opportunity for all students to receive assistance in the areas of reading, language arts, mathematics, science and social studies in order to improve academic achievement for all students at the school. The school carefully develops an instructional plan to provide a researched-based, well sequenced, and timely improvement program. Parents of Title I students are encouraged to become involved in parent activities held throughout the year. Questions regarding Title I program services may be directed to the school's principal or the Director of Federal Programs (770-787 1330).

R) ELECTRONIC DEVICES DURING STANDARDIZED TESTING

In accordance with the Georgia Department of Education's guidelines regarding cell phone/electronic devices in designated testing locations, students of the Newton County School System are not permitted to use, or bring into the testing environment, any electronic device that could allow them to access, retain, or transmit information. Improper use of such electronic devices during testing will result in disciplinary action in accordance with the Newton County School System's student code of conduct and test invalidation. During the administration of standardized assessments, all cell phones/electronic devices must be in the "off" position and stored by the teacher, if brought into a designated testing location. Cell phones/electronic devices will be returned to the student after all testing materials have been collected. During state mandated assessment windows, students will be expected to follow the guidelines as indicated, should they bring their cell phones into the designated testing locations within the school. It is the preference of the Newton County School System that students leave their cell phones/electronic devices at home on the days standardized tests are administered. The

Newton County School System is not liable or responsible for any personally-owned electronic device brought onto any school system property.

S) MYPAYMENTSPLUS

Parents can make payments for fees for school meals, athletics, parking, library fines, Advanced Placement Exams, and more on-line. Visit www.MyPaymentsPlus.com to find out more and to register for an account.

MIDDLE SCHOOL INFORMATION AND PROCEDURES

ACADEMIC HONESTY

The Newton County School System tradition of excellence requires an academic environment that is free from all forms of academic dishonesty. Students must meet challenges with honesty and individual effort. Students earn respect for themselves and their academic work through academic integrity and ethical conduct. In all work submitted for academic credit, students are expected to represent themselves honestly. No form of student work is exempt from this policy. **Cheating** (getting or giving unauthorized help on an assignment, quiz, or test) and **plagiarism** (submitting work as your own that is someone else's) are forms of academic misconduct that will result in the following consequences:

- Student will receive a zero for the assignment with no opportunity to recover the grade*
- Parents will be notified in all cases of academic dishonesty

**The only exception occurs when a student is guilty of academic dishonesty on a benchmark test. Because these tests are used to determine the student's satisfactory academic progress, students will be required to retake the benchmark test on his or her own time. The make-up test will be scored to determine student progress; however, the student may only receive 70% credit of the scored test.*

In addition to the consequences listed above, students may lose privileges, positions, or opportunities requiring trustworthiness and responsibility. Students may also receive a disciplinary referral (See Rule 66).

All forms of academic dishonesty place the value of grades over learning and are in direct contrast with the mission of Newton County School System

ATHLETICS

Students who participate in any school sponsored athletic program must ride the bus to and from athletic events. Only in rare cases will a student be permitted to ride home with parents or other individuals. In the event this is necessary, prior written permission must be obtained from the administration. Practices conducted inside the building are closed to spectators.

ATTENDANCE AND TARDIES

Please carefully read the attendance section in the Newton County School System portion of this agenda. It is extremely important that your child attend school in order to succeed academically. Tardiness results in missed class time. After the third absence, the parent will receive a call, after the fifth absence a letter, and the seventh absence will result in a referral to the social worker. The NCSS Social Worker will contact parents and/or submit a truancy complaint to juvenile court.

Any student who is absent from school may not attend or participate in any after school activities, events, and/or programs.

BAND AND CHORUS

Any student wishing to enter or withdraw from either band or chorus may do so only at the following times: at the beginning of the school year or at the end of the semester. All drop/add proposals must be submitted to the band/chorus teacher one week prior to the end of the semester and be approved by the principal or designee.

CAR RIDERS

Students who are dropped off in the morning should not be dropped off prior to 8:15 am and are not permitted to be dropped off in the parking lot; they should be dropped off in front of the school.

NOTE: Extra members of the school staff will assist with car rider procedures until such time that a smooth transition can be established.

Car riders should be picked up no later than 4:45 p.m.

CHECK-IN, CHECK-OUT PROCEDURE

When a student checks in or out of school, he/she must first report to the front office. During the school day, a student will be released from school only to a parent, legal guardian or other authorized person. **Such persons should be properly identified with a picture I.D.** The parent or authorized person who will pick up the student must come inside the school and sign the checkout record. Students are considered absent if they are checked out prior to 12:30 p.m.

Students may not be checked out after 3:45 P.M.

Students may not be checked out after 12:30 on Early Release Days.

COUNSELING DEPARTMENT

The Counseling Department provides a large number of services, which include classroom guidance, group, and individual counseling on a limited basis. Counselors are ready to assist students in any way that will make their school experience more rewarding. Counselors are available to consult with parents regarding special concerns they may have about their child. Teachers are also encouraged to use the services of counselors regarding the special needs of their students.

COURSE SYLLABUS

At the beginning of the year, teachers and/or teams will distribute a course syllabus. Students are asked to take the syllabus home and review it with their parents. Since the syllabus will include an outline of the course content, grading procedures, expectations for behavior, and other pertinent information it is important that students and parents read all syllabi carefully. Teachers reserve the right to make changes in the syllabus as appropriate.

E-MAIL

Teachers may be contacted via e-mail. Please see your student's information packet for e-mail addresses. Important information can also be found on each school's website.

EMERGENCY DRILLS

Fire drills are to be held regularly throughout the year. The signal will be one continuous sound on the horn until the building is cleared. All students will move in a quiet and orderly fashion with their teachers to a designated area and remain there until the clearance signal has been given by the office. All driveway areas must be kept clear during fire drills. Severe weather and school safety drills will also be held periodically .

ENRICHMENT CLASSES

Middle Schools offer a variety of Enrichment classes. Class participation will be determined using various sources of data. Enrichment classes are designed to provide

opportunities for growth and demonstration, necessary remediation, and intervention strategies. Grades earned in **Enrichment classes count towards the requirements to remain in academic good standing.**

FALSIFYING REPORTS

Falsifying reports regarding instances of alleged inappropriate behavior by a teacher or other school personnel are prohibited [20-2-751.5 (a)(17)]. An investigation will be held with the penalty at the discretion of the administrator, which may include ISS, suspension, or suspension to a formal hearing (See Rule #66 in the Code of Conduct).

GRADING

Middle Schools are governed by the Newton County promotion policy. If a student fails two or more classes, he/she will be considered for retention. It is the responsibility of each student and his/her parent to be aware of his/her academic standing and confer with the teacher before difficulties arise. **It is important to note that Connections and Physical Education courses count toward promotion requirements as well as extracurricular eligibility.** When work is missed because of excused absences, it is the student's responsibility to make it up. **The student will have an equal amount of time as the number of absences to complete missed assignments.**

The grading scale is as follows:

90-100	A
80-89	B
70-79	C
Below 70	F

HALLWAYS

A student must have a signed agenda or hall pass from a teacher in order to move in the hall during the day. Students should move quietly in the building; running in the building is not allowed.

HEALTH RECORDS

Georgia law requires that every student enrolled in a Georgia public school have a current Georgia Certificate of Immunization on file. Students who do not provide the school with an approved certificate will not be allowed to remain in school. Please note that the vaccination record must be on an official form provided by the Georgia Department of Human Resources.

In addition, those students entering Georgia public schools for the first time must provide an eye, ear, and dental certificate at the time of registration.

HEALTH SERVICES

The Newton County School nurse may make contact with parents regarding any health issues. The nurse will not take responsibility for evaluating signs of illness or injury that have occurred at home; these should be referred to your family doctor or an emergency room.

CLINIC SERVICES FOR ILLNESS AND ACCIDENTS

Parents will be contacted immediately, should a situation warrant, if their child becomes ill or has an accident at school. In serious situations when a parent cannot be contacted, the principal or principal's designee will request the assistance of local emergency medical personnel. Services will be provided if a medical release has been signed. Judgment in such cases is at the discretion of school authorities, and parents assume financial responsibility.

Please keep your current telephone number, the name of a contact person for emergencies and his/her current number on file in the office. Please be sure to return to the teacher the

emergency authorization form at the beginning of the year. Also, make sure that your student has the phone numbers of all authorized contacts written in his/her agenda. Updating information housed in the front office will expedite the process of contacting someone when necessary.

COMMUNICABLE DISEASE

Children having any contagious or infectious disease should not return to school unless cleared by the family physician or Health Department. The following conditions should be considered communicable. Parents should notify the school if their child has been affected by any of these for advice on readmission to school.

HEAD LICE

Students who have head lice (pediculosis) are to be sent home from school. Students diagnosed with head lice can return to school after the lice treatment has been administered. **Before re-entering school, it will be necessary for the nurse to determine** that the student is free of ALL infestation and any remnants, including dead nits.

If the student's head is still suspect, he/she will not be allowed to re-enter school. However, if your child has not been cleared to re-enter on or before the third (3rd) school day from the date he/she was sent home, the matter will be referred to the School Social Work Department. Referrals will be made to the School Social Work Department for repeated cases of head lice.

HOSPITAL/HOMEBOUND STUDENTS

A student who has a medically diagnosed, non-communicable condition, which restricts him or her to home or a hospital for five or more school days, may be eligible for hospital/homebound instruction. Please contact the school's counseling department for further information regarding this program.

HOMEWORK

All students will receive homework from their various teachers. Homework is a part of course requirements, and students are expected to complete the assignments on time. Homework is a way to review and reinforce what has been taught. Failure to complete assignments will be detrimental to grades. Teachers must be given 24 hours notice to gather missed assignments for absent students.

HONOR ROLL

Students are encouraged to strive for academic excellence. In order to recognize students who excel, a list of honor roll students is submitted to the local media for publication. In order to meet the criteria for Principal's Honor Roll, the student must receive all As during the designated grading period. In order to meet the criteria for Merit Honor Roll, the student must receive all As and Bs during the designated grading period.

INJURIES

Anytime a student is injured at school he/she should report the injury immediately to the teacher or person in charge of supervision. The teacher will then notify the nurse/main office and complete an accident report. Attempts to contact the parent/guardian will be made in order to notify them of the accident/injury. If deemed appropriate, emergency

services will be contacted by an administrator or designee. Parents are responsible for medical bills when students are injured at school or participating in a school sponsored event.

INSURANCE

Accident insurance may be purchased on an optional basis. The insurance covers the student en route to and from school and while attending school. Some form of insurance is required for each student to participate in athletics. The homeroom teacher will provide information about insurance.

INTERIM PROGRESS REPORTS

Approximately four and a half weeks into each nine-week marking period an INTERIM PROGRESS REPORT will be issued. Parents should sign and return a copy of the report to the next school day.

JACKETS AND COATS

Bulky jackets and coats/outerwear garments are prohibited from being worn in the school building. These items are unnecessary since the building is climate controlled.

Furthermore, this provides additional measures for assuring school safety. Students may wear these items to school but must secure them until the end of the day. **Students are not permitted to wear hoods during the day.**

LOCKERS/BACKPACKS

When possible, lockers are provided for student use during the school day. Locker privileges are assigned and revoked at the discretion of school staff. Students accepting usage of the lockers must also accept the related responsibilities, including keeping the assigned locker clean, both inside and out, and to pay for damage caused to the locker. Lockers are school property and under the control of the Newton County School System. The school assumes no responsibility for lost/stolen property or money kept in lockers. The school reserves the right, consistent with state law, to search lockers when necessary to insure safety and enforce school and district policies.

LOST AND FOUND

There will be a designated lost and found area in the school building. Items not claimed will be removed and donated to charity.

LUNCHROOM PROCEDURES

Breakfast and lunch are expected to be pleasant times for everyone. All students are expected to conduct themselves properly, practice good table manners, and take no food from the cafeteria. **Due to lunchroom regulations, non-standard meals, such as fast food sandwiches and drinks, (i.e., Burger King, McDonald's, etc.) are not permitted in the cafeteria.** Should you wish to send a drink to school, the drink must be in an **unopened container.**

MEDIA CENTER

The media center is available as a resource to our students. All school rules apply in the media center. Students are responsible for all materials checked out to them and must pay for replacement of all lost or damaged items. In addition, \$0.05 per day is charged for overdue materials. **All media center fines must be cleared before report cards are issued.** Students must either present identification or enter their ID # in order to check out materials from the media center. Replacement cost for an ID card is \$5.00.

MEDICATION

Newton County Board of Education policy does NOT permit middle school students to be in possession of medication of any kind. **Medication will be maintained by school personnel ONLY in special long-term situations.** Parents will be required to administer

any short-term medications. Parents are requested to contact the nurse/front office concerning special medical situations. School system employees will not dispense over the counter (OTC) medications.

MESSAGES AND GIFTS

The school cannot be a message service to your child unless there is a true emergency. ***We will not accept messages if specific security questions are not answered properly.*** **We do not accept messages after 3:15 p.m.** We will announce the names of students who have messages at the end of the day only. All rooms including the gym have loudspeakers. **Please do not deliver flowers, balloons, or other items to school. We will not interrupt instruction to call your child to the phone unless there is an emergency.**

PARENT CONFERENCES

Parents are encouraged to schedule conferences with their student's teachers during the team's planning time. Parents should arrange conferences ahead of time and avoid classroom interruptions. There are two scheduled early release days for conferences. Please check your child's agenda daily. Check in at the front office to receive a VISITOR'S BADGE. Parents can request a conference throughout the school year.

PARTICIPATION REQUIREMENTS FOR EXTRA CURRICULAR ACTIVITIES

Students must be present in order to participate in any extra-curricular activities that day. Students suspended from school will not participate in any school-sponsored activity during the suspension. Students assigned to ISS will be suspended from any game or event scheduled during the time of assignment to ISS. Suspension and ISS do not end until the student physically returns to school. Students may be allowed to practice their extra-curricular activities while in in-school suspension (ISS), but not while suspended. **Students can fail only one class the previous semester prior to participation.** The administration may withhold a student's participation from any activity based on the student's placement on academic or behavioral probation. **Students who are not picked up promptly from after school events will not be permitted to attend future events.**

PEER MEDIATION

Mediation is an approach to resolve conflicts. Students who have a disagreement are offered the chance to sit face to face and talk uninterrupted so each side of the dispute is heard. After the problem is defined, solutions are created and then evaluated. When an agreement is reached, it is written and signed. Trained peer mediators are neutral third and fourth persons who lead the mediation process. They help the disputants communicate and come to a solution. Mediators keep all information confidential. Peer mediators have been trained to listen objectively and respect all points of view. Students may request peer mediation through the Counseling Department.

PROMOTION / RETENTION / PLACEMENT

Students whose yearly grade average in **at least six out of seven** classes is 70% or higher will be promoted to the next grade. Students whose yearly grade average in two or more classes is below 70% will be retained, unless he/she reaches standards for promotion. **Every effort should be made to pass each class during the school year.** Parents will be notified of the school's concerns regarding a student's promotion status and asked to attend meetings and give input before final promotion, retention, and placement decisions are made. Former students must sign the Guest Register and may visit teachers **before and/or after school.**

DISCIPLINE – CODE OF CONDUCT

The Newton County Board of Education operates on the philosophy that all students have the right to learn. The Board believes that students shall be responsible for their behavior; shall be in attendance and on time for school/classes, shall participate fully in the learning process; and shall recognize and respect the rights of other students and adults. To do so, each student must be in a school climate that is satisfying and productive, and one that is without disruptive behavior by any student infringing upon the rights of others.

Students are to respect constituted authority which includes following school procedures and obeying school rules and regulations. Additionally, discipline is a partnership between the home and the school. The Board anticipates that parents will be concerned and cooperative in dealing with any behavior problems which may arise.

The Board of Education annually approves middle and high school codes of conduct which include rules and procedures based on local and state laws and policies. The student disciplinary rules and procedures are developed by the administration with input where appropriate from students and parents. These rules are age appropriate, delineate standards of behavior and provide for progressive dispositions where appropriate.

To promote better discipline, school personnel are encouraged to use preventive measures such as, but not limited to, conferences, counseling, school social worker referral and Response to Intervention (RtI) referrals. Misbehavior governed by the code may occur during school hours, outside school hours, on school grounds or campus, off school grounds or campus, at school-sponsored activities whether on or off school grounds/campus, and/or on school-sponsored transportation. School administrators may, at their discretion, require a student and his/her parent(s) to sign a behavior contract as a prerequisite for enrollment.

Disposition or disciplinary action taken is intended to show the student how he/she has ownership of the problem, to help the student formulate ways to prevent the problem from recurring, and to inform the parents of the misconduct. The administration is authorized to use a variety of corrective measures including, but not limited to, student and/or parent conferences, mediation, detention of the student with a teacher or administrator, in-school suspension, Saturday work, or out-of-school suspension to provide for a safe learning environment. Serious behavior problems, which could result in long-term suspension or expulsion, require a hearing before the Disciplinary Hearing Panel.

Student behavior which violates state or federal laws as specified in O.C.G.A. 20-2-1184 will result in a report being filed with the appropriate police authority and district attorney.

Definition of Terms and Basic Information Relating to Discipline Code Rules and Procedures:

A. ALTERNATIVE SCHOOL

The Newton County Board of Education has made a substantial commitment to dropout prevention and recovery efforts. The cornerstone of these efforts on the secondary level is the Ombudsman Program. The purpose of the program is to provide an educational opportunity for those students who, for various reasons, are at risk of not completing their education in the traditional school setting.

Student assignment to the Ombudsman Program shall occur when the student placement is determined by a disciplinary hearing. Due to limited course offerings, placement in all matching courses (foreign language; CTAE courses, etc.) from the student's home school is not guaranteed at the Ombudsman Program. A referral to the system-wide placement committee may be made for students enrolling from other alternative school settings, students who are not on track for graduation, overage middle school students, and/or for students who are enrolling with extensive disciplinary infractions. Students returning to their zoned school from an alternative setting or expulsion are returning on a probationary status and a behavior contract may be issued.

B. IN-SCHOOL SUSPENSION PROGRAM (ISS)

Placement in ISS is the removal of students from their regular classes for a period of time to a highly structured, supervised classroom environment. Parents will be notified by phone or letter when students are assigned to ISS. Students are counted present for school attendance and are provided individualized assignments from their regular classroom teachers. Students who fail to abide by the rules and regulations of ISS may receive additional ISS days, be suspended from school, or be terminated from the program. This suspension will be separate from, and in addition to, any days already served in ISS. Any absences during an ISS assignment will be made up before the student returns to the regular classroom.

Students will bring basic learning supplies, (including all textbooks and folders), will do assigned work quietly in their seats or wherever appropriate, will show respect for themselves and others, and will obey all school rules and regulations. Students assigned to ISS will be suspended from any game or event scheduled during the time of assignment to ISS. Students **may be allowed to practice** with their team or organization when assigned to ISS. **Once a student is assigned to ISS, the assignment will be completed before the student returns to the regular classroom.**

C. OUT-OF-SCHOOL SUSPENSION (OSS)

Out-of-school suspension (OSS) is the removal of students from school for a specified period of time. Students are not allowed on campus during the school day nor are they allowed to attend any school function during the period of suspension. A parent conference is required for any out-of-school suspension. A parent conference must be held prior to re-entering school.

1. **SHORT-TERM SUSPENSION** - Removal of student from school and all school-sponsored activities, including classroom attendance, for not more than ten school days. The Principal makes all decisions relative to short term suspension; the decision is final.

2. **LONG-TERM SUSPENSION** - Removal of student from school and all school-sponsored activities, including classroom attendance, for more than ten days but not beyond the current semester.
3. **EXPULSION** - Removal of student from school and all school-sponsored activities including classroom attendance beyond the current school semester.
4. **SUSPENSION TO A FORMAL HEARING** - The hearing of all charges and evidence against a student for discipline offenses by a disciplinary hearing panel appointed by the Superintendent of Newton County Schools. Parents are sent written notification through the mail of the charges, witnesses, and date/time of the hearing. Disciplinary action taken by the hearing panel may include, but is not limited to, short-term suspension, long-term suspension or expulsion. **If a student is referred to a disciplinary hearing or accepts the waiver option the student is under probationary status for one calendar year from the date of the hearing/waiver. If a second disciplinary hearing is necessary for the student under probation, the administrative recommendation regarding disciplinary action will be for expulsion for a minimum of one school year.**

An administrator, at his/her discretion, may choose to offer a waiver of hearing to a student suspended with a charge(s) for violation of the rules and regulations of the Newton County Schools. The parent/guardian will be given written notification by letter of the charges and formal hearing options—either a waiver with acceptance of disposition or formal hearing before the disciplinary hearing.

5. **MAKE-UP WORK FOR SUSPENDED STUDENTS** - A student under suspension will be allowed to make-up work and receive full credit. Some work, by its very nature is impossible to make up and may necessitate alternative assignments. The principal (or designee) is the final authority in determining alternative assignments. Students will lose credit for any work not made up within the number of school days suspended. For example, if a student is suspended 3 days, the student will have 3 days upon return to school to complete make-up work. After returning to school, **students are responsible to request assignments missed during a suspension.** If the work is not made-up by the student in the time specified, a zero shall be recorded for assignments that were to be graded.

D. SUSPENSION FOR PARENT CONFERENCE

For a disciplinary reason a student may not be allowed to attend school until a parent conference is held as specified by the administrator on the referral. It is not necessary for students to miss any school time provided a parent/guardian complies with the conference request. A phone conversation or a personal parent conference may be required.

E. AFTER SCHOOL DETENTION

Students may be detained by a teacher or school administrator after school for up to one hour. The regulations for the Saturday Work Detail Program are as follows:

1. A student absence from an assigned Saturday Work Detail Program may be excused only by a confirmed emergency. All excuses will be thoroughly checked. If a student is unable to attend, his/her parent needs to call the school before Saturday or be at the worksite by 8:00 a.m. to explain the absence to the supervisor.
2. Students who do not show up for assigned Saturday Work Detail or stay the duration will be suspended from school for one day.
3. Students must report to the assigned work area by 8:00 a.m. Late arrivals will be sent back home immediately and suspended for one day. **Parents/students should plan to arrive early to avoid unforeseen delays.**
4. Students must obey all rules and regulations. The supervisor will call for a parent to come to get a student for any violation of school rules, regardless of the time of the day. A one-three day suspension will follow.
5. Students are expected to be working at all times. Students will receive warnings from the supervisor if they are not working sufficiently. More than two warnings means the student will be dismissed and will be given a one day suspension, regardless of the time of day the dismissal occurs.
6. One (1) 15-minute break will be given in the morning.
7. Students should dress appropriately.
